RE: 60 day License Bond or Other Financial Security Renewal Notice; Request for abandonment and termination of Electric Supplier License No. A-2008-2079944

Dear Ms. Chiavetta:

This letter is in response to the Pennsylvania Public Utility Commission's (the "Commission") letter dated February 4, 2015, requesting Keystone Energy Consulting, LLC ("Keystone") to renew its license bond or provide other financial security by February 28, 2015, pursuant to 66 Pa. C.S. § 2809(c) and the above-captioned electric supplier license number.

Keystone has not served any customers in the Commonwealth and has had no business conducted in its name whatsoever since 2010. Further, Keystone was dissolved and is no longer in existence as of December 2013.

Therefore, we are requesting that the Commission process Keystone's abandonment and termination of its Electric Supplier License No. A-2008-2079944, effective immediately.

If you have any further questions regarding this matter, please feel free to contact me directly. Thank you for your attention to this matter.
