I'm filing exceptions to pages 1 to 10..
Behind the wall were that pole
is located is pipes to my GAS
heater. I sent a picture to the law
student miss. common to sent to
the hearing. She didn't mail the
pictures to the judge. She was ineffective.

The work by Verizon Penna was
unfinished and unsafe, on Sept 26th 2013.
I called Verizon and PUC on
Sept 27th because they would not tell
me who they were or show ID,
OR work order. no one wore Verizon
clothes Sept 26th 2013 as I stated.

page 2. Since 1948, this house been
changed over inside. The heating
system is attached to the wall
as the wire's outside pole that
VERIZON say they have Right of
Way to. The picture was sent to the lawyer.
The name on the wire is Western Electric.

page 3. No proper ID was given to me.

I heard only a shout as I started to christopher P. pell. Quote No body's home do the work.

I looked out my window as the truck was backing toward this house. I went outside then to see what was going on.

The fiber optic cable wire was placed in front of the water drain pipe. The people were not wearing Verizon black shirts, the color was dark blue and white hats. The Truck was white without Verizon logo.

page 4. As I walked towards the back a heavy set man with a long beard was looking at me, I asked him what he was doing here. He stated we are only checking our wires no hanging or drilling will done. He was wearing a dark blue shirt without logo. The Truck was at the back wall. not in the allow...

I did not say I heard banging and drilling as the Judge states. I said I heard loud banging.

page 8. I testified I heard Loud Loud banging coming from the back. After that man said there would be no banging.

I went back outside a second time, standing near my back door, was a man with gray sweat shirt on, white hat holding a large hammer. He was not pleasant at all. He was rude.

I ask him why he couldn't have knocked on the door and let me so he was back there and why was he banging on my wall. I ask him for I.D.

page 8. He stated I don't need I.D. I have Right of way. Bell telephone gave it to them in 1948. I said show me some paper work he kept say I don't. I.T. harrasment was because the

The Verizon local manager for construction testified she offered to have worker return and properly secure the bracket and I declined. She also stated to the Judge I ask her help pay my bill. When I responded to her false statement the Judge didn't find that strange. He ruled in her favor. She also said she was on the Truck that day, Sept 26-2013. Then why she ask me what they look like. When she visit me at my home after Sept 26-

The Judge stated I confronted the workers. If I had not went back to inspect, the man stopped banging on the wall with the hammer when I said something to him. I said what are you doing. From inside the night's were moving from my ceiling.

Damage was done to this house. The Judge based his decision on testimony from Oct 23rd not the fact I stated on Sept 26-2014

How can the Judge state these people were wearing Verizon clothing when he wasn't there.

The Truck driver wasn't there Oct 23rd, the man with the long beard was not there. The lady on the back of the truck was not there either.

The person they stated he was the man near Verizon's pole on Sept 26-2013 at 76th Overbrook Ave.
