Docket No. C-2015-2466639

**PRELIMINARY OBJECTION OF WEST PENN POWER COMPANY
TO THE COMPLAINT OF MARTHA J. HALLOWELL**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

AND NOW, West Penn Power Company (“West Penn” or the “Company”), by and through its counsel, Brian C. Wauhop, Alan Michael Seltzer, Kathleen Wagner, and Buchanan Ingersoll & Rooney PC, files this Preliminary Objection to the Formal Complaint of Martha J. Hallowell (“Formal Complaint”) pursuant to Section 5.101(a)(2) of the Pennsylvania Public Utility Commission (“Commission”) regulations, 52 Pa. Code § 5.101(a)(2), and in support thereof avers as follows:

I. Introduction

1. In her recently filed Formal Complaint, Martha J. Hallowell (“Complainant”) alleges she sustained damages to personal property located at 206 Glacier Drive, Latrobe, Pennsylvania 15650 (“Service Location”) as a result of an alleged electric power surge. (Compl. ¶¶ 4,5.) The Complainant requests that the Commission direct West Penn to reimburse her for these alleged personal property losses. (*Id.* ¶ 5.)

2. As explained below, the Commission does not have the power and legal authority to award money damages. As a result, the Company requests that this Preliminary Objection be granted and that the Commission: (i) strike all allegations in the Formal Complaint regarding money damages; (ii) prohibit the Complainant from introducing at hearing any evidence

purporting to address money damages; and (iii) grant the Company any other relief as may be just and reasonable under the circumstances.

II. Background

3. West Penn is an electric distribution company that is certificated as a public utility in Pennsylvania.

4. On or about January 26, 2015, the Complainant filed with the Commission the Formal Complaint against West Penn at the above-captioned docket requesting that West Penn reimburse her for "...a new refrigerator we had to buy for our garage because of all the brown outs & off & ons of electric..." (Compl. ¶ 4.)

5. On or about February 10, 2015, the Formal Complaint was served on West Penn via electronic mail.

6. West Penn is timely filing its Answer contemporaneously with this Preliminary Objection.

III. Argument

7. The Commission's procedure regarding the disposition of preliminary objections is similar to that utilized in Pennsylvania civil practice. *Equitable Small Transportation Interveners v. Equitable Gas Company*, Docket No. C-00935435 (July 18, 1994).

8. The Commission's Rules of Practice and Procedure permit parties to file preliminary objections. The grounds for preliminary objections are limited to those set forth in 52 Pa. Code §5.101(a) as follows:

- (1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.
- (2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.
- (3) Insufficient specificity of a pleading.

- (4) Legal insufficiency of a pleading.
- (5) Lack of capacity to sue, nonjoinder of a necessary party or misjoinder of a cause of action.
- (6) Pendency of a prior proceeding or agreement for alternative dispute resolution.
- (7) Standing of a party to participate in the proceeding.

9. The Commission's procedure regarding the disposition of preliminary objections is similar to that utilized in Pennsylvania civil practice. *Equitable Small Transportation Interveners*, Docket No. C-00935435 (July 18, 1994).

A. Preliminary Objection to Complainant's Request for Damages Pursuant to 52 Pa. Code § 5.102(a)(2).

10. The Commission's procedural regulations allow a party to object to pleadings that fail to comply with the rules of administrative practice or that include scandalous or impertinent matters. *See* 52 Pa. Code § 5.102(a)(2).

11. In the Formal Complaint, the Complainant demands the following: "I want the PUC to make West Penn (First Energy) pay for a new refrigerator we had to buy for our garage..." (Compl. ¶ 5.) Clearly, the Formal Complaint is seeking monetary damages from the Company.

12. It is well-established under Pennsylvania law that the enforcement powers of the Commission do not include the power to award money damages. *Elkin v. Bell Tel. Co. of PA.*, 420 A.2d 371 (Pa. 1980); *Feingold v. Bell of Pa.*, 383 A.2d 791 (Pa. 1978); *see Nagy v. Bell Tel. Co. of PA.*, 436 A.2d 701 (Pa. Super. 1981).

13. In *Feingold*, the Pennsylvania Supreme Court explained:

. . . the statutory array of PUC remedial and enforcement powers does not include the power to award damages to a private litigant for breach of contract by a public utility. Nor can we find an express grant of power from which the power to award such

damages can be fairly implied. Thus, it can be concluded that the Legislature did not intend for the PUC to have such a power.

Feingold, 383 A.2d at 794.

14. A prayer for damages which are not legally recoverable in the cause of action is “impertinent matter” in the sense that it is irrelevant to that cause of action, and is correctly challenged through a motion to strike the requested relief as impertinent matter. *Third Avenue Realty Limited Partners v. Pennsylvania-American Water Co.*, Docket No. C-2010-2167286 (Final Order entered September 30, 2010) (citing *Hudock v. Donegal Mut. Ins. Co.*, 264 A.2d 668 (Pa. 1970)).

15. Therefore, in accordance with Pennsylvania law, this Commission does not have the power to award monetary damages, and the Complainant’s request for money damages is an impertinent matter that must be stricken.

IV. Conclusion

WHEREFORE, for the foregoing reasons, West Penn Power Company respectfully requests that the Commission: (1) grant its Preliminary Objection to the Formal Complaint and strike therefrom the Complainant's request for money damages; (2) expressly prohibit the Complainant from introducing any testimony or exhibits at the evidentiary hearing regarding any alleged damages; and (3) grant the Company such other relief as may be just and reasonable under the circumstances.

Respectfully submitted,

Dated: March 2, 2015
