RE: **Docket No. P-2015-2465847**

Dear Secretary Chiavetta:

Counsel for North East, CSX and PennDOT are requesting that the field conference scheduled in this matter for March 12, 2015 be canceled and that this matter be held in abeyance. The reason for this request is that a North East Township Roadway Connectivity Study is going to be performed. This study will address the transportation needs of the area and will be helpful in moving forward in this matter. It is expected that this study will be completed by March 31, 2016.

Thank you for your consideration of this request.

Very truly yours,
