SECRETARY'S BUREAU

Dear Rosemary:

I am writing to you regarding a complaint that was filed against my company, Corporate Cars of Lehigh Valley LLC, Docket No. C-2015-2466060.

Our current insurance policy was effective as of January 28, 2015, however the insurance company did not do the filing until February 5, 2015. We had requested for them to complete the necessary insurance filings as early as January 26, 2015, but they unfortunately were still submitted late.

Since our insurance was valid and we have not violated any insurance laws, I would like to request that the fine of \$500 be waived. Thank you for your attention to this matter, and I look forward to a quick resolution.

Sincerely,

A handwritten signature in black ink, appearing to read "Jovencio Castillo", written over a horizontal line.
