	:	
Columbia Gas of Pennsylvania, Inc.	:

**PETITION TO INTERVENE  
OF SHIPLEY CHOICE LLC,  
INTERSTATE GAS SUPPLY, INC. AND  
DOMINION RETAIL, INC.**

---

NOW COMES Shipley Choice, LLC d/b/a Shipley Energy (“Shipley”), Interstate Gas Supply, Inc. d/b/a IGS Energy (“IGS”) and Dominion Retail, Inc. d/b/a Dominion Energy Solutions (“DES”)(collectively “NGS Parties”), and hereby petition the Pennsylvania Public Utility Commission (“Commission”) to intervene in the above-captioned proceeding pursuant to 52 Pa. Code §5.71, *et. seq.* As discussed below, the NGS Parties all are licensed natural gas suppliers (“NGS”) providing natural gas supply service using the jurisdictional facilities of Columbia Gas of Pennsylvania, Inc. (the “Company”) or (“Columbia”). In support of their Petition to Intervene, the NGS Parties state and aver as follows:

1. On or about March 18, 2015, Columbia submitted Supplement No. 226 to its Tariff Gas PA PUC No. 9, which proposes to increase base rates by approximately \$46 million. Included with the filing are several modifications to Columbia’s tariff, which will have a direct and severe impact upon the competitiveness of the natural gas markets in the Commonwealth of Pennsylvania and upon natural gas suppliers serving customers on the Columbia system.

Moreover, as a consequence of this winter's more-extreme-than-normal weather, it has become clear that a number Columbia's existing tariff requirements have proven to be unworkable. The NGS Parties will seek address those needs, as well.

2. The NGS Parties are represented in the above-captioned matter by the following counsel:

Todd S. Stewart  
Attorney I.D. No. 75556  
Hawke McKeon & Sniscak LLP  
P.O. Box 1778  
100 N. Tenth Street  
Harrisburg, PA 17105-1778  
Phone: (717) 236-1300  
Fax: (717) 236-4841  
Email: [tsstewart@hmslegal.com](mailto:tsstewart@hmslegal.com)

3. The NGS Parties currently serve customers throughout the spectrum of customer classes on the Columbia system, including residential, commercial and industrial customers. As such, they have a direct and immediate interest in any modifications to any tariff which could impact their ability to serve those customers and they have a clear interest in any tariff provisions, whether new or existing, that directly have impacted their ability to reasonably and fairly serve customers on the Columbia system.

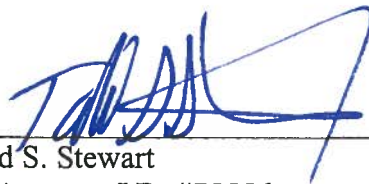

4. While the NGS Parties are still completing their final review of the rate filing and have not yet taken any specific positions on issues other than their opposition to the proposed adjustment to the Gas Procurement Charge and Columbia's proposal of Rider CAC. The NGS Parties will be prepared to state their other positions more fully in time for a prehearing conference.

5. Because the NGS Parties' serve customers on the Columbia system, where they are all licensed to serve customers, they have a direct and immediate interest that is substantial

and cannot be represented by any other party to this proceeding, and they clearly will be bound by any decision that the Commission might make with regard to Columbia's requested rate increase and accompanying tariff changes. Therefore, the NGS Parties request that their intervention be granted and that they be allowed full party status in this matter.

**WHEREFORE**, the NGS Parties hereby petition the Pennsylvania Public Utility Commission to intervene in the above-captioned matter and request full party status.

Respectfully submitted,

---
