To Whom It May Concern,

I am writing to inform you that I am no longer in business. I started a full time job on December 15th, with ABM Government Services. Their company phone number is 270-885-4642, in case you need to verify this fact. I called the PUC on February 28th to inform them that I was no longer driving the truck and have it up for sale. This is why I dropped the insurance coverage and no longer need a PUC number. This is the first time I have had to deal with this type of situation and I am trying to work through the process of closing out the truck business, learning as I go and trying to avoid these types of problems.

The docket number for the complaint is C-2015-2470496. If you have any further questions or need any more information on this matter please email me at beav11@comcast.net or call 570-527-5454.
