We understand that our prior record has not been without incident and we greatly apologize for that, but we are hoping that the Commission will take into consideration that we do have all the requirements to obtain an authority-

- Active DOT Authority

If the Commission could reinstate our authority- A-000119270, F2 we will guarantee that all rules and regulations set forth will be respected and followed.

If any other information if required please feel free to contact us @ 610-868-3700. Thank you.
