RE: 2013 Electric and Common Plant Service Life Study Report

Dear Ms. Davis:

In accordance with Sections 73.5 and 73.6 of the Public Utility Code, enclosed please find a copy of PECO Energy Company's ("PECO") 2013 Electric and Common Plant Service Life Study Report (the "Report"). Please note that the relevant sections of the Report were also included in PECO's electric base rate case materials which were filed on March 27, 2015 at Docket No. R- 2015-2468981.

PECO requests that the proposed service lives of Electric Distribution, Electric General and Common Plant included in the Report be effective concurrently with the effective date of the rate case filing order. A CD-ROM is also provided that contains a copy of the Report and survivor data for a sample account in Excel format.

Thank you for your assistance in this matter and please direct any questions regarding the above to Richard Schlesinger, Manager, Retail Rates at (215) 841-5771. /

Sincerely,

Enclosures
