Re: XO Communications – AARDOT 517721G East Lampeter Township, Lancaster County DOCKET # A2015-2475348

Ms. Chiavetta,

Metropolitan Communications Group (MCG) has been retained by XO Communications to provide project management and engineering services for a proposed fiber build in East Lampeter Township, Lancaster County.

This letter is an amendment to existing docket# A-2015-2475348. The top left paragraph and case description on the eFile should be changed to read as follows:

“In re: Application of XO Communications for approval of the alteration of the aerial crossing on Greenfield Rd. by the installation of aerial fiber optic cable where Greenfield Rd. crosses above grade the tracks of Norfolk Southern Railroad located in East Lampeter Twp. in Lancaster County, PA.”

If you have any questions or need additional information please do not hesitate to contact me at (610) 241-6788.

Sincerely,

Dave McEvoy
OSP Engineer
