1	<u>PROCEEDINGS</u>
2	ADMINISTRATIVE LAW JUDGE DAVID A. SALAPA: This is
3	the time and the place that the Pennsylvania Public Utility
4	Commission has set for a prehearing or pre-arbitration
5	conference in the case captioned, Petition of Core
6	Communications for arbitration of interconnection rates,
7	terms and conditions with Core Communications, Inc., at
8	Docket No. A-310922F7004.
9	I am Administrative Law Judge David Salapa. The
10	Commission has assigned me to preside on this case and to
11	render a decision for the Commission to consider.
12	This morning I note the appearance of counsel for
13	Core Communications, Mr. Michael Gruin.
14	Good morning, Mr. Gruin.
15	MR. GRUIN: Good morning, Your Honor.
16	JUDGE SALAPA: Also on behalf of Core Communications
17	is Mr. Chris Van de Berg.
18	MR. VAN DE BERG: Good morning.
19	JUDGE SALAPA: Good morning, Mr. Van de Berg.
20	Appearing on behalf of Alltel are Holly R. Smith.
21	Good morning, Ms. Smith.
22	MS. SMITH: Good morning, Your Honor.
23	JUDGE SALAPA: And Mr. D. Mark Thomas.
24	Good morning, Mr. Thomas.
25	MR. THOMAS: Good morning.

FORM 2

JUDGE SALAPA: I have a few preliminary matters that I'd like to go over first.

The first thing I'd like to find out, my prearbitration conference order had a number of parties listed on it that I do not believe are interested in participating in this case, such as the Consumer Advocate and Small Business Advocate.

8 Have any of the parties received any communication
9 from those entities indicating that they wish to participate
10 in this proceeding?

MS. SMITH: We have not, Your Honor.

MR. GRUIN: No, Your Honor.

11

12

17

22

23

JUDGE SALAPA: All right then. I'll remove them fromthe service list.

MR. THOMAS: Your Honor, we have been serving themwith all the documents. I think Mr. Gruin has too.

MR. GRUIN: Yes, we have also.

JUDGE SALAPA: I really don't see any reason to continue having them on the service list if they haven't filed anything indicating that they wish to participate. Any orders that issue from me, at least, we'll delete them.

MR. THOMAS: So you're removing the OTS, OCA? JUDGE SALAPA: Well, all I have are the Office of

24 Small Business Advocate and the Office of Consumer Advocate 25 on my service list.

MR. THOMAS: Okay. We have the Trial Staff on ours 1 2 too. 3 MR. GRUIN: Yes, we do. JUDGE SALAPA: Have any of the parties received 4 anything from them indicating their desire to participate? 5 6 MR. THOMAS: No. MR. GRUIN: No. 7 MS. SMITH: No, Your Honor. 8 JUDGE SALAPA: Okay. Well, then you can delete them 9 as well. 10 Next, the appearance for Alltel I have as 11 Mr. Cesar Caballero. Should that be changed to Ms. Smith, 12 Mr. Thomas, both of you? 13 MS. SMITH: Your Honor, all four of us would like to 14 be listed as counsel in this matter. So that would be 15 Holly Rachel Smith, D. Mark Thomas, Cesar Caballero and 16 Kimberly K. Bennett. 17 JUDGE SALAPA: All right. Then do you wish the 18 orders or whatever to be sent to each of you separately 19 then? Is that how you -- one to you and Mr. Thomas and one 20 to Mr. Caballero? 21 MS. SMITH: In the event that you would be so kind, 22 it would be terrific if we could have both Caballero and 23 Bennett on the list in Little Rock, and myself and 24 Mr. Thomas on the list here in Harrisburg, Pennsylvania. 25

¹ Thank you, sir.

18

25

MR. THOMAS: Your Honor, we also would like
Patricia Armstrong. She signed the initial pleadings for
Alltel. We'd like her listed as counsel for Alltel. She's
not in attendance today.

8

JUDGE SALAPA: All right. So Alltel will be Smith,
Thomas and Armstrong in Harrisburg, and Caballero and
Bennett for the address in Little Rock.

9 All right. Are there any other parties out there 10 that would be considered as indispensable parties that would 11 need to be joined in this proceeding? I don't believe so, 12 in reviewing the proceeding, but I just wanted to make sure. 13 I'm not aware of any others. Are any of the parties?

MR. THOMAS: The only thing I can recall, Your Honor, the small companies, the rural telephone companies have a motion pending. And they ask, I think, intervention just for that limited purpose.

JUDGE SALAPA: Yes, I'm aware of their petition.

All right. Let me get down to what my concern is on this proceeding at this point.

21 Core Communications currently has an outstanding 22 application with the Commission to amend its certificate of 23 public convenience in order to allow it to provide local 24 phone service in the territory of Alltel.

MR. GRUIN: Correct.

1 JUDGE SALAPA: To the best of my knowledge, I think 2 that's what, at Docket A-310922F0002AMB? MR. GRUIN: Correct, Your Honor. 3 JUDGE SALAPA: To the best of my knowledge, the 4 5 Commission has not issued an order either approving or 6 disapproving that application. My concern is that I strongly believe that we should 7 have an order from the Commission approving that application 8 before we proceed with this arbitration. 9 What are the parties' feelings on that? 10 Mr. Gruin? 11 MR. GRUIN: I don't think it's necessary, Your Honor. 12 I think we can move forward with the arbitration because 13 Alltel has withdrawn their protest to the application, and 14 there's no protest pending. 15 The application is at FUS, Fixed Utility Services, 16 for review. 17 And there's no prohibition to arbitrating 18 interconnection terms while the application is still 19 pending. In fact, that's kind of the way it was foreseen by 20 the Commission in the implementation order and the review of 21 interconnection agreement order, that it be a simultaneous 22 process. 23 JUDGE SALAPA: Okay. Well, my understanding -- and I 24 admittedly have access to the Commission's case management 25

9

COMMONWEALTH REPORTING COMPANY (717) 761-7150

1 system, which you probably do not.

CIAM 2

My understanding from reviewing that is that there is currently some sort of motion that's been filed by Alltel at that docket number.

5 And at least according to the Commission's case 6 management system, that motion has been assigned to the 7 Office of Special Assistants for disposition. So that's 8 where that proceeding is right now.

9 I'm assuming that Alltel would prefer to have an
10 order from the Commission one way or the other on the
11 application to amend before we proceed with the arbitration.
12 Is that correct.

MS. SMITH: Your Honor, we are absolutely in agreement, that there has to be an order on a pending application proceedings to provide service in Alltel's territory, because there's really serious questions about whether or not this arbitration was properly before this Commission.

JUDGE SALAPA: Well, without getting into the merits of the application, which really isn't before me, my concern is that without a Commission order stating that Core has the authority to operate in Alltel's territory, that there's an issue of standing in regard to the arbitration proceeding.

24 So my options at this point are to, I think, either 25 stay this proceeding pending the outcome of the proceeding,

the application proceeding, or to issue an order granting a
motion to dismiss on the basis of lack of standing.

Frankly, I would rather just issue an order to stay
this proceeding until the application proceeding works
itself out one way or the other.

6 MR. GRUIN: If those are our two choices, we would 7 choose stay, obviously. But again, we reiterate our 8 position that we don't think it's necessary to stay it.

FORM 2

I don't know how long the Commission's going to taketo review the application.

JUDGE SALAPA: Well, that's my concern. We're all talking here as though this is a done deal and it's only a matter of time before Fixed Utility Services issues an order granting your application.

My concern is, number one, it's no longer just in Fixed Utility Services, it's now in the Office of Special Assistants to rule on whatever the petition is that Alltel has filed. And I don't know what that means in terms of this arbitration.

20 So I would just prefer to wait until the issues in 21 that application are taken care of before we proceed forward 22 with the arbitration.

And I believe that right now I have a motion from Alltel to stay, dismiss or strike. And frankly, my inclination would be to issue an order somewhat along the

lines of what Judge Weismandel has issued in the other Core arbitrations, to stay this pending the outcome of the application at AMB.

I want to make that specific, because, quite frankly, I don't care what goes on with the application at AMA. I understand that's a litigated proceeding, and that may take months more before it's resolved.

MR. THOMAS: And Your Honor, that proceeding,
however, may impact what's before FUS right now.

FORM 2

JUDGE SALAPA: I understand that. I understand that, Mr. Thomas. And like I said, that stuff is all outside of my scope.

At this point I have this arbitration. And my feeling is that if the Commission issues an order tomorrow in the AMB application saying, Core, you're authorized to provide service in AMA's territory, that means to me that, pending an appeal, I can proceed with the arbitration.

And I'm not really concerned about what goes on at AMA. I understand that there are motions out there that may end up consolidating this whole mess into one big proceeding.

I don't have any control over any of that. My control is over this arbitration.

So that's my intent.

Comments, Mr. Gruin?

24

25

MR. GRUIN: I think that's reasonable, Your Honor. I would just say that if, like you say, the Commission issues an order in AMB granting Core authority in Alltel territory, that we would move forward with the arbitration even if there's an appeal outstanding.

In other words, get the arbitration moving at that time, and then if they want to appeal, take it up in a separate daisy chain.

But if the arbitration's already --

JUDGE SALAPA: Well, let's just take one step at a 11 time.

MS. SMITH: I don't want to be prejudging what ourappeal rights may be.

JUDGE SALAPA: Yes. I think at this point let's just take it one step at a time. And what I will do is put together an order, a short order along the lines of Judge Weismandel's, basically staying this proceeding until, I believe he says 35 days or something like that after the Commission issues an order in the AMB proceeding.

MR. THOMAS: The AMA proceeding.

JUDGE SALAPA: No, AMB in this case.

MR. GRUIN: Right.

CRM:

9

20

21

22

23

MR. THOMAS: Oh, okay. His order was AMA.

JUDGE SALAPA: Yes. What his order says is that the consolidated arbitration proceedings are stayed until at

least 35 days after final Commission order in the
 application proceeding.

MR. THOMAS: If I recall, I think he went 35 days to allow the appeal to --

JUDGE SALAPA: Yes. And once the order comes out, if the parties choose to appeal one way or the other, we can address that at that point.

8 MR. GRUIN: It's not ideal in our position, but I 9 think we can live with it at this point in time.

JUDGE SALAPA: Okay.

Ms. Smith?

CORM 2

10

11

12

21

MS. SMITH: We would be in agreement, Your Honor.

JUDGE SALAPA: All right. So I have an agreement
from the parties to stay this proceeding pending the outcome
of the application in AMB.

I also have this motion to stay from the rural telephone companies. I think it's Pennsylvania Telephone Association.

MR. THOMAS: Rural Telephone Company Coalition,
 Pennsylvania Telephone Association, and Frontier Companies.

JUDGE SALAPA: Thank you, Mr. Thomas.

I guess I will either hold that in abeyance; I guess what they seem to be asking for is for me to stay the proceeding pending resolution of the application at the AMA docket.

Number one, I don't think they have standing to be
 filing anything in this proceeding. But I guess I can hold
 that in abeyance.

And you have a motion to admit pro hac vice. I can grant that; would Core have any objection to that?

MR. GRUIN: No objection.

4

5

6

17

18

25

FORM 2

JUDGE SALAPA: All right. Well, then I will put something in the order I issue granting the motion to admit pro hac vice.

MS. SMITH: Thank you, Your Honor. I would appreciate if you also could amend the service list to add the new attorneys.

JUDGE SALAPA: All right. So my order will stay 35 days, admit pro hac vice, amend the service list. And I'll have to think about what to do with the other motion, frankly.

> MR. THOMAS: Actually, you granted that in part. JUDGE SALAPA: Well, in part, yes.

MR. GRUIN: What motion is that again? I'm sorry. JUDGE SALAPA: There's a motion from the Rural Telephone Company Coalition, the PTA and everybody else to stay the proceeding.

But I believe their request for stay is pending the outcome of the AMA application.

MR. GRUIN: Right.

JUDGE SALAPA: And as I said, I don't believe they have standing to be filing anything in this proceeding. MR. GRUIN: Right.

1

2

3

4

5

6

22

ORM:

So I will probably just dismiss it as JUDGE SALAPA: moot, because I am granting a stay, and leave it at that.

All right. At this point is there anything that the parties want to address? I'll open the floor to either one. 7

Mr. Gruin, is there anything that you would like to 8 address at this point? 9

MR. GRUIN: Well, I guess I would like to propose the 10 11 parties to continue to negotiate during the stay and narrow the issues and to work together so we can get a better 12 consolidated list of issues. 13

JUDGE SALAPA: If the parties want to do that, that 14 certainly would be a profitable use of time. That's up to 15 you. 16

MR. VAN DE BERG: I would also add, I believe your 17 scheduling order was put together with the concept of trying 18 to preserve the nine-month window of the Commission's 19 jurisdiction under 252. So the parties should probably 20 stipulate that --21

> MR. THOMAS: Chris, I can't hear you.

MR. VAN DE BERG: That we're waiving our rights to 23 protest that window. The nine-month window under 252. 24 MR. THOMAS: Oh, okay. 25

17 1 MR. VAN DE BERG: I think that the scheduling order was put together to try to preserve that. 2 JUDGE SALAPA: Yes. 3 MR. VAN DE BERG: So whatever we can do to preserve 4 5 that window. 6 JUDGE SALAPA: All right. So basically, if I could incorporate something into the order stating that the 7 parties agree that the nine-month window is stayed, 8 9 suspended. MR. GRUIN: I think there's language in 10 Judge Weismandel's order in the other proceeding that 11 addresses that. 12 JUDGE SALAPA: Right, okay. I'll check on that. 13 Waive the nine-month deadline for rendering an arbitration 14 decision. 15 MR. GRUIN: Right. 16 JUDGE SALAPA: All right. 17 Ms. Smith, anything? 18 MS. SMITH: I have two points. I'm wondering if 19 discovery could continue in this matter, and that we could 20 set some time lines for responding and for objections. 21And also, I have an amendment to the issues list, and 22 I have brought with me a new version of the issues list. 23 But I have one item that I need to discuss. 24 Shall I take the discovery first? 25

FORM 2

COMMONWEALTH REPORTING COMPANY (717) 761-7150

JUDGE SALAPA: Yes. At this point, what kind of time frame, or what are you looking at here? Are you looking for me to set some deadlines for sending discovery requests and responding?

5 MS. SMITH: The amount of time for which the parties 6 would have to object, and also the amount of time from 7 service, upon which the parties would have to answer, and 8 discovery served.

MS. BENNETT: Your Honor, this is Kimberly. Can I
interject something? Is it necessary that we can stay this
today if the proceeding is then stayed?

MR. GRUIN: That's what I think. I think if we're going to stay it, we completely stay it, we reconvene with another pre-arbitration conference at some point when it gets back on track, and talk about these issues then. Not kind of a half stay, a quarter stay.

JUDGE SALAPA: All right. I think that's a good point, because if this is stayed, really, as Mr. Gruin said, you can continue to negotiate and try and narrow the issues. And that may resolve some of the discovery concerns that you have.

But depending on what the AMB order says, there may be nothing to discover. I mean the whole arbitration may disappear depending on what happens.

25

FORM 2

So at this point let's just hold that, and we'll pick

it up whenever the AMB order comes out and we reconvene. MS. SMITH: We would be in agreement, Your Honor. JUDGE SALAPA: All right. Is there anything further at this point that we need to discuss? Going once. Going twice. (No response.) JUDGE SALAPA: All right. I'd like to thank you all for your cooperation. We are adjourned. (Whereupon, at 10:20 a.m., the hearing was adjourned, to reconvene at a time and date to be designated by the OALJ Scheduling Unit.) ***
