Re: Compliance Tariff Filings (Dockets A-310781, F0002; A-310781, F0003; A-310781, F0004; A-310802)

Dear Mr. McNulty:

Choice One Communications of Pennsylvania ("Choice One") hereby submits for filing an original and seven (7) copies of the following tariffs:

- PA P.U.C. Tariff No. 1, Local Services
- PA P.U.C. Tariff No. 2, Switched Access Services
- PA P.U.C. Tariff No. 3, Competitive Access Services
- PA P.U.C. Tariff No. 4, Facilities-Based Interexchange Toll Services
- PA P.U.C. Tariff No. 5, Resale of Interexchange Toll Services

Each of the enclosed tariffs has an issue date of August 2, 1999 and an effective date of August 3, 1999.

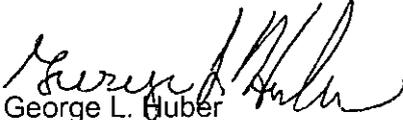

This filing represents a resubmission of the tariffs included in Choice One's original applications to provide telecommunication services within the Commonwealth of Pennsylvania. The Pennsylvania Public Utility Commission ("Commission") has reviewed these applications, which were assigned dockets A-310781, F0002; A-310781, F0003; A-310781, F0004; A-310802 and has recently issued two orders (4/29/99 and 5/21/99) regarding Choice One's requests to provide telecommunications service within the Commonwealth. These orders required revisions to be made to the tariffs originally included in Choice One's applications before authority to provide telecommunications service could be granted. Choice One has discussed the required changes with Commission Staff (see Attachment I) and has incorporated these changes in the enclosed tariffs.

Choice One has also made additional corrections for administrative errors that were discovered in the original tariffs. Said errors had resulted in misstatements concerning the provisioning of services as well in the structure and content of rates and charges.

**Re: RESALE EQUIVALENT RATE OFFER;  
TERMINATION NOTICE PURSUANT TO 52 PA. CODE § 63.304**

I am writing regarding transitional UNE-P arrangements that your company still has in Pennsylvania. The purpose of this letter is three-fold. First, Verizon wishes to offer to your company one final opportunity to continue receiving services with respect to the subject lines — but on the terms set forth herein (including, without limitation, by your agreement to pay the rates described herein for these lines pending their conversion to resale). Second, if your company does not accept such offer (in accordance with all of the terms set forth herein), this letter serves as notice that Verizon intends to cease providing service for these lines on or at any time after March 11, 2006. **Third, if your company does not accept the foregoing offer (in accordance with all of the terms set forth herein), this letter constitutes your formal termination notice pursuant to 52 Pa Code § 63.304.**

As I am sure you are aware, on February 4, 2005, the Federal Communications Commission ("FCC") eliminated the availability of DS0 Mass Market Local Circuit Switching<sup>1</sup> as a UNE available pursuant to 47 U.S.C. § 251(c)(3) and established a 12-month transition period during which CLECs could not add new UNE-P arrangements that have DS0 Mass Market Local Circuit Switching as a component ("Discontinued Mass Market UNE-P"), as well as set a surcharge on the embedded base of UNE-P arrangements during the transition period. *See generally* Order on Remand, *In the Matter of Unbundled Access to Network Elements; Review of the Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers*, WC Docket No. 04-313; CC Docket No. 01-338 (Rel. February 4, 2005) ("*TRRO Remand Order*"). The FCC expected CLECs to use this transition period to "migrate" their "embedded base of

<sup>1</sup> As used herein, the term "DS0 Mass Market Local Circuit Switching" shall have the meaning ascribed in the *TRO Remand Order* and, in accordance with the Pennsylvania PUC's order dated June 10, 2005 (the "PUC Order") shall include DS0 switching that is subject to the FCC's Four Line Carve-Out ("Four Line Carve-Out Switching") to the extent that your company still has any UNE-P arrangements that include Four Line Carve-Out Switching that have not been discontinued and/or converted to alternative arrangements (the foregoing being subject to, and without waiver of, any rights Verizon may have with respect to Four Line Carve-Out Switching pursuant to previous notices of discontinuance or otherwise).

unbundled local circuit switching used to serve mass market customers to an alternative service arrangement," and "require[d]" CLECs "to submit the necessary orders to convert their mass market customers to an alternative service arrangement within twelve months of the effective date" of the *TRRO Remand Order* ¶¶ 226-27. The last day of this transition period is March 10, 2006.

Throughout the course of the transition period, Verizon has continued to provide CLECs with training and assistance to ensure a smooth transition to alternative arrangements. In addition, Verizon has repeatedly reminded your company of its obligations, reiterated Verizon's willingness to work cooperatively during this transition, and asked your company to provide Verizon with direction regarding its conversion plans. In addition to contacts by account managers, Verizon has previously sent you two formal notices regarding the transition period. In the second of these formal notices, which Verizon sent on April 22, 2005, Verizon requested that you contact your account manager by May 15, 2005 and communicate your plans for converting these Discontinued Mass Market UNE-P lines. To date, you still have not provided an adequate response to these requests or migrated your Discontinued Mass Market UNE-P arrangements to alternative services.

Most CLECs have taken the steps required of them by the FCC, and accordingly, as of this late date, the vast majority of Discontinued Mass Market UNE-P arrangements have already been transitioned to other arrangements. Some carriers have converted their Discontinued Mass Market UNE-P lines to resale, others have converted these lines to UNE-L, and a great many CLECs have entered into commercial agreements with Verizon to obtain a UNE-P replacement product.

However, because you have failed to follow an FCC requirement to make alternative arrangements for your company's existing Discontinued Mass Market UNE-P lines, by this letter Verizon provides **termination notice** to your company pursuant to the requirements of 52 Pa. Code § 63.304 that Verizon will cease to provide service and will **disconnect any remaining Discontinued Mass Market UNE-P service to your company on or at any time after March 11, 2006**. In light of this termination notice, 52 Pa. Code § 63.306 requires you, among other obligations, to **file with the PUC in the next ten calendar days an abandonment plan**. Pursuant to 52 Pa. Code § 63.304, **a copy of this termination notice is being provided to the Secretary of the PUC, the PUC's Bureau of Consumer Services, and the PUC's Law Bureau.**

As Verizon has indicated throughout the transition period, it does not wish to disrupt end user service unnecessarily and Verizon has repeatedly attempted to reach an appropriate resolution with your company before the end of the termination period. Unfortunately, your company has been unwilling to cooperate.

In order to **avoid the possibility of the discontinuation of service** to those end-users, your company must **acknowledge in writing, by countersigning this letter below and returning it to Verizon as described below, that it agrees to all of the terms set forth in this letter, including, without limitation, as set forth in paragraphs 1 through 5 below (which collectively may hereinafter be referred to as the "Surcharge/Conversion Option"):**

(1) Your company agrees to continue the Discontinued Mass Market UNE-P arrangements on and after March 11, 2006 at rates consistent with the equivalent resale rate established by the PUC. These rates will be effectuated by application of the surcharges set forth in the chart below, which increase the existing port rate element as necessary to achieve a rate substantially equivalent to the PUC-approved resale rate.

(2) Verizon, with 30 days advance notice, may elect to formally convert your remaining Discontinued Mass Market UNE-P arrangements to the equivalent resale arrangements under Section 251(c)(4) at any time on or after March 11, 2006, and your company shall promptly pay Verizon's standard charges associated with such conversions.

(3) If your company provides this countersigned letter to Verizon on or before February 3, 2006, Verizon will notify the PUC that your company and Verizon have reached a resolution that allows Verizon to withdraw its notice of termination. If you are interested in this resolution, please have a duly authorized representative of your company countersign this letter below and return this formal written acceptance to Verizon (for receipt by Verizon no later than February 3, 2006) at the following address: Manager – Contract Management, Verizon Wholesale Markets, 600 Hidden Ridge, HQEWMNOTICES-CM, Irving, TX 75038, fax: 972-719-1519, email: [contract.management@verizon.com](mailto:contract.management@verizon.com). Also provide a copy to me via e-mail at [William.b.petersen@verizon.com](mailto:William.b.petersen@verizon.com) or fax: 215-563-2658.

(4) In the event your company responds as required above to indicate its agreement to the Surcharge/Conversion Option, (a) the surcharges may be billed retroactively as necessary to apply them effective as of March 11, 2006, and (b) Verizon reserves the right to disconnect the subject arrangements if your company fails to pay the agreed rates or to cooperate with any formal conversion to resale arrangements. (For the avoidance of any doubt, from and after March 11, 2006 – and even prior to any formal conversion to resale -- Discontinued Mass Market UNE-P arrangements shall not constitute nor be regarded as UNEs for any purpose.)

(5) The applicable surcharges for Pennsylvania are as follows:

<u>ILEC</u>	<u>UNE Density Zone</u>	<u>Surcharge</u>
VZ PA	1	\$15.14
VZ PA	2	\$11.81
VZ PA	3	\$ 9.79
VZ PA	4	\$ .32
PA North	3	\$ 0.47
PA North	4	\$ 0.00

If you do not wish to accept this arrangement, which Verizon is offering at its sole discretion, your company may of course terminate any Discontinued Mass Market UNE-P arrangements through existing disconnect processes.

You are strongly encouraged to complete activities associated with formally converting your Discontinued Mass Market UNE-P arrangements to resale or securing other alternative service arrangements as quickly as possible, in order to meet the FCC's mandatory transitional deadline.

**FAILURE TO RESPOND AS SET FORTH IN THIS LETTER MAY RESULT IN DISCONNECTION OF SERVICE.**

Very truly yours,

William B. Petersen

Re: *Informational Filing* - Choice One Communications of Pennsylvania Inc. -  
- Addition of a Fictitious Name

Dear Mr. McNulty:

Choice One Communications of Pennsylvania Inc. (the "Company"), an authorized telecommunications carrier in Pennsylvania<sup>1</sup>, hereby respectfully notifies the Pennsylvania Public Utilities Commission ("Commission") that it has adopted a fictitious name for use in Pennsylvania. The Company has adopted the d/b/a "One Communications."

As the Commission is aware, CTC Communications Group, Inc. has merged with and into One Communications Corp. (f/k/a Choice One Communications Inc.), with One Communications Corp., the ultimate parent of the Company, surviving the merger. This change in control did not involve the transfer of operating authorities, assets or customers – the Company will continue to offer the same services at the same rates, terms and conditions. However, in order to integrate the operations of the Company and its affiliates, and to avoid customer confusion, the Company and its affiliates have each adopted a d/b/a using the "One Communications" name. The adoption of this d/b/a by the Company and its affiliates will also enhance their ability to market their services, thereby benefiting consumers in Pennsylvania.

<sup>1</sup> In Pennsylvania, the Company is authorized to provide telecommunications services under Docket A310781, May 21, 1999 (CLEC) and Docket A310781, May 4, 1999 (IXC).

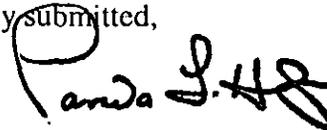

KJR  
561

A copy of the authorization from the Secretary of State for the Company to use the approved d/b/a is appended hereto as *Exhibit A*. The Company does not believe prior approval for the use of this fictitious name is required. To the extent, however, that any such Commission approval is required, the Company respectfully requests such approval.

Appended hereto as *Exhibit B* is a copy of the Company's one-page tariff supplement, revised to reflect the fictitious name, which is being filed on one (1) days notice. Please note that nothing substantive has changed in the tariff; the only change is the addition of the Company's fictitious name. Regarding customer notice, customers of the Company will receive written notice of the fictitious name through a bill notification. Both the Company name and the fictitious name will appear on the billing statements for a period of two months. To the extent that any customers have questions about the fictitious name appearing on their bills, the Company will respond to such inquiries individually.

Enclosed please find a duplicate of this filing, eight (8) copies and a self-addressed, postage-paid envelope. Please date-stamp the duplicate upon receipt and return it in the envelope provided. We trust this letter provides the information required in this matter. Should the Commission have any questions or believe that any further information is required, please contact Pamela Hintz at (781) 622-2116.

Respectfully submitted,

---

**Re: One Communications, Inc. Request to Open Interconnection Negotiations in Pennsylvania**

Dear Ms. Edwards:

By this letter, and pursuant to 47 U.S.C. § 252(a)(1), Choice One Communications of Pennsylvania Inc. d/b/a One Communications ("One Communications")<sup>1</sup> hereby requests that South Canaan Telephone Company ("South Canaan") enter into good faith negotiations to develop a contract governing interconnection and related matters between the two companies, in accordance with the requirements of Sections 251(a), 251(b), and 251(c).

Although One Communications expects to consider a number of issues in the negotiations, one of our primary interests will be to reach a fair and equitable arrangement for direct and/or indirect interconnection between the two carriers, for the transport and termination by South Canaan of certain traffic, notably Internet Protocol-originated traffic, that One Communications' customers directly or indirectly seek to have delivered to South Canaan's customers. You are, no doubt, aware that there is some controversy in the industry about the proper handling of such traffic, and that the Federal Communications Commission ("FCC") is considering that issue in a number of open dockets. In light of the FCC's continued inaction on this topic, One Communications believes that the most effective and practical way to resolve this controversy is by reasonable carrier-to-carrier discussion.

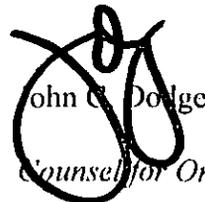

<sup>1</sup> This request is submitted on behalf of all One Communications subsidiaries: Choice One Communications of Ohio Inc.; Choice One Communications of Pennsylvania Inc.; Choice One Communications of Rhode Island Inc.; Choice One Communications of Connecticut Inc.; Choice One Communications of Maine Inc.; Choice One Communications of Massachusetts Inc.; Choice One Communications of New York Inc.; Choice One Communications of New Hampshire Inc.; US Xchange of Indiana, L.L.C.; US Xchange of Illinois, L.L.C.; US Xchange of Wisconsin, L.L.C.; and US Xchange of Michigan, L.L.C.

At least initially, One Communications is open to an arrangement under which the carriers' networks would connect indirectly, in accordance with Section 251(a)(1), rather than directly, in accordance with Section 251(c)(2). Moreover, for reasons that we can discuss during negotiations, we believe that the IP-originated traffic in question is governed by Section 251(b)(5). In these circumstances, it is not at all clear that the so-called "rural exemption" in Section 251(f)(1) would apply (assuming that South Canaan qualifies as a rural carrier), since that provision is only invoked by requests for the negotiation of matters addressed by Section 251(c).

That said, we certainly expect South Canaan to negotiate with us in good faith, as required by Section 251(c)(1). Moreover, rather than artificially restricting the discussions from the outset, One Communications would prefer to permit them to be as wide-ranging as need be to fully address all possible concerns and issues. As a result, and out of an abundance of caution, One Communications is providing a copy of this request to the Pennsylvania Public Utility Commission, as called for by Section 251(f)(1)(B).

We look forward to working with you on these matters. A written response to this negotiation request would be very much appreciated.

Sincerely,

John C. Dodge

Re: *One Communications Request for Interconnection Negotiations with Bentleyville Telephone Company*

Dear Mr. Dodge:

This letter is in response to the June 18, 2009 letter from Choice One Communications of Pennsylvania Inc. d/b/a One Communications ("One Communications") to Bentleyville Telephone Company ("Bentleyville") requesting the negotiation of an interconnection agreement. Bentleyville has asked that John Staurulakis, Inc. ("JSI") assist in these negotiations and I will be your point of contact for the negotiations.

We appreciate the information provided in the letter requesting negotiations of an interconnection agreement. Bentleyville is willing and able to provide interconnection in accordance with the obligations of Section 251(a) and (b) of the Act to the extent that those obligations are applicable to Bentleyville and without waiver of Bentleyville's rights as set forth in Section 251(f) of the Act. We do agree however that in the circumstances set forth in your letter it is not clear that the "rural exemption" would apply.

In order to move forward please give me a call or let me know via email times you are available for a call to begin the negotiations.
