**Re: Ernie McCabe v. Pennsylvania-American Water Company**  
**Docket No. C-2014-2460341**

Dear Judge Hoyer:

As directed by you during the March 17, 2015 telephonic conference in this matter, please accept this letter as the initial status report of Pennsylvania-American Water Company ("Pennsylvania-American") regarding the efforts to resolve the above-referenced Complaint.

Pennsylvania-American's subcontractor has submitted a damages claim to its insurance carrier, regarding the damages alleged by Mr. McCabe in his complaint. Mr. McCabe has been in contact with that insurance carrier and has submitted documentation in support of his claim for damages. The insurance carrier is still in the process of evaluating the claim.

I spoke to Mr. McCabe, and we agreed that there is no need to schedule a further hearing in this matter at this time. Mr. McCabe indicated that if the insurance carrier approves the claim to his satisfaction, then his Complaint before the Commission can be considered resolved. Mr. McCabe will keep me apprised of his discussions with the insurance carrier. I propose to provide you with another status report by May 15, 2015 if this matter has not been resolved by that time. Thank you, and please feel free to contact me if you have any questions.

Best regards,  
STEVENS & LEE
