Harrisburg, Pennsylvania 17105-3265

Re. Docket No. C-2015-2461185-Locators, Inc v. Broadview Networks, Inc.

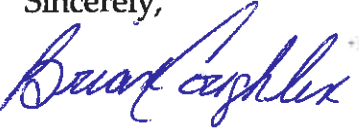

Dear Honorable Conrad A. Johnson:

Broadview Networks is in receipt of the first interim order granting Plaintiff, Locators, Inc. request for an In Person Hearing as opposed to the scheduled telephonic hearing. Broadview Networks, Inc. objects to this change. While Broadview Networks does not object to the hearing being moved to Pennsylvania Public Utility Commission Office of the Administrative Judge located in Philadelphia, Pennsylvania, Broadview Networks does object to an In Person Hearing due to the distance that the witnesses must travel to appear. Some witnesses are located in northern New York with an estimated distance of one hundred fifty (150) miles from the proposed hearing venue.

Broadview Networks respectfully request that our objection be granted and the Call In Telephonic Hearing with be granted.

Thank you in advance.

Sincerely,

A handwritten signature in blue ink that reads "Brian Coughlin". The signature is written in a cursive style with a small registered trademark symbol (®) at the end.

Brian Coughlin, Esq.
Deputy General Counsel
