**RE: Addendum to Citizens Telecom Solutions, LLC  
Competitive Local Exchange Carrier Application**

Dear Sir or Madam,

A-31139

On behalf of Citizens Telecom Solutions, LLC (Citizens), ICORE is submitting an addendum to the application for approval to provide telecommunications services in Pennsylvania. The original application was dated September 25, 2001. This addendum outlines the type of facilities that Citizens will be using to provide facility based competitive local exchange services, as required in Item # 10 - Proposed Services.

Should you have any questions concerning this matter, please contact the undersigned.

Sincerely,

Gary M. Zingaretti

**CITIZENS TELECOM SOLUTIONS, LLC  
ADDENDUM TO COMPETITIVE LOCAL  
EXCHANGE CARRIER APPLICATION**

The response to Item # 10 in the original application of Citizens Telecom Solutions, LLC for Competitive Local Exchange Carrier Approval should read as follows (new language is bold and underlined):

Applicant will provide local calling, long distance calling, operator-assisted calling, directory assistance, access to TRS, access to E911 and 911 emergency services, pay telephone service line with screening, Centrex and PBX trunks, telephone Lifeline services, other data services, CLASS services and features, and ISDN. **The company will provide this service via a combination of its own network and network elements purchased from the incumbent local exchange provider (Verizon). Citizens has access to the required transport, switching, and most of the distribution network. Some portion of the distribution network may be provided on leased facilities served out of collocation sites in Verizon central offices.**
