Docket No. C-20054242

v.

North American Telephone Network, Inc. (2004.0268)

A-310682

**DEFAULT ORDER**

**DOCKETED**  
JUN 1 2005

**BY THE COMMISSION:**

On January 20, 2005, Law Bureau Prosecutory Staff instituted a complaint against North American Telephone Network, Inc. (NATN), a telecommunications interexchange reseller certificated at A-310682. In the complaint, Prosecutory Staff alleged that the Commission sent by certified mail a notice to NATN that its 2004-2005 General Assessment of \$167 was overdue. The complaint charged that NATN's failure to pay the General Assessment violates 66 Pa. C.S. §510(c).

The complaint sought an order from the Commission canceling NATN's certificate of public convenience for failure to pay these assessments. The complaint was mailed by the Secretary's Bureau on February 17, 2005, to NATN's last known business address and service was perfected on February 22, 2005. To date, more than 20 days since service was perfected, no answer has been filed to the complaint and the assessment has still not been paid.

The Commission puts the industry on notice that we will not hesitate to invoke our authority under the Public Utility Code to ensure timely compliance with our regulations and orders including the ordering of such other remedy as the Commission may deem appropriate. 66 Pa. C.S. §§504, 505, 506, and 3301. Based on the above and because of NATN's failure to pay its General Assessment for 2004-2005, we believe it is appropriate to revoke NATN's certificate of public convenience as being in the public interest. Furthermore, the Commission may take other appropriate action, including the imposition of penalties under section 3301, in lieu of cancellation, if NATN seeks relief from this Default Order; **THEREFORE,**

**IT IS ORDERED:**

1. That the allegations in the Law Bureau Prosecutory Staff's complaint are deemed admitted and the complaint is thereby sustained.

2. That the Secretary serve a copy of this Default Order upon the Office of Consumer Advocate, the Office of Small Business Advocate, the Office of Trial Staff, and the Attorney General's Bureau of Consumer Protection, and also cause a copy of this Default Order to be published in the *Pennsylvania Bulletin* with a 30-day comment period.

3. That absent the filing of adverse public comment, 30 days after publication in the *Pennsylvania Bulletin* and without further action by the Commission, the certificate held by North American Telephone Network, Inc. at Docket No. A-310682 shall be canceled, and the company's name stricken from all active utility lists maintained by the Tariff and Annual Report Section of the Commission's Bureau of Fixed Utility Services and the Assessment Section of the Bureau of Administrative Services.

BY THE COMMISSION,

James J. McNulty  
Secretary

On April 7, 2005, the Commission approved the cancellation of the above utility's certificate. The 30 day comment period relative to this order has expired with no comments noted, so Fran/Wanda, could you please make sure the applicable cert. is issued and that the bridge reflects this utility as deleted. No tariff was ever filed, so Jami, there should be nothing for you to pull. Thanks, Kerry
