FOLDER

Dear Ms. Riley:

Receipt is acknowledged of the Application of Network Innovations, Inc., for approval to supply telecommunications services as a Competitive Access Provider to the public in the Commonwealth of PA.

Upon review, the Application has been determined to be deficient for the following reasons:

- * The only original signature in the application is on the one cover letter. The application itself, the affidavit, and the verification statement are all photocopies. Original signatures are needed for all of these documents.
- * The application states "Exhibit C" is the proposed tariff, but no tariff is attached.

Pursuant to 52 Pa. Code, §1.4, you are being advised of these deficiencies and are required to correct them.

Failure to correct the foregoing deficiencies within 20 days of the date of this letter will result in the Application being returned as unfiled.

Sincerely,

James J. McNulty
Secretary
