**MOTION FOR CONTINUANCE OF HEARING DATE**

PECO Energy Company ("PECO Energy"), pursuant to 52 Pa. Code § 1.15(b), hereby requests a continuance of the hearing date scheduled in this matter and states the following:

1. A telephonic hearing for this matter is currently scheduled to take place on Monday, May 11, 2015 at 10:00 a.m.
2. The Complainant alleges in her formal complaint that she hears an unexplained noise at her residence located at 551 Coach Road, Horsham, PA that she believes is caused by PECO Energy equipment.
3. During a recent pre-hearing resolution conference call, the Complainant indicated that she still hears the noise and believes the noise is coming from a PECO Energy transformer.
4. PECO Energy sent a high bill field technician to the Complainant's residence to investigate the Complainant's concerns and determined that to properly determine if the noise is coming from PECO Energy's equipment, the company should schedule an outage on the company's circuit and transformer.
5. PECO Energy has scheduled the outage to take place on May 13, 2015 at 8:00 a.m.
6. Accordingly, PECO Energy is requesting a continuance of the hearing to schedule the outage and determine whether the noise is coming from the company's transformer.

7. PECO Energy will offer the outage report at the time of the hearing.
8. PECO Energy contacted the Complainant, Donna Currie, and she has no objection to PECO Energy's request for a continuance.
9. PECO Energy therefore respectfully requests that the hearing be continued to a further date.

Respectfully Submitted,

---
