Re: Independence Energy Group LLC (Electricity License No. A-2011-2262337, Natural Gas License No. A-2013-2396449)

Dear Secretary Chiavetta:

On March 16, 2015, Independence Energy Group LLC ("IEG") made a filing to the Pennsylvania Public Utility Commission ("Commission") to provide updates to its license and request Commission action to remove the trade name "Energy Rewards" from both its electricity and natural gas license certificates; IEG ceased using this trade name on or about March 15, 2015.

Attached please find the required Certificates of Service on the parties to licensing matters.

Please contact me at 301.509.1508 or via email at lgibbons@nrg.com if you have any questions or require additional information.

Sincerely,

Leah Gibbons
