RE: Larry Moyer vs. PPL electric (Docket # C-2011-2273645; # C-2014-2444864)

Judge Fordham:

This letter is to express concern that the transcript of the April 21 Formal Hearing has not been posted on the PUC website. It is not clear that it has been completed or when it will be available. When asked by Mr. Wright (during a recess), the recorder indicated that she would have it completed within two weeks

According to section 5.502(f), the brief that I will file must be submitted within 20 days of the date of service of notice of the filing. During the Formal hearing on April 21, you specified that the Initial Post-Hearing Brief would be due on June 5, and I want to be sure that I submit it in a timely manner.

Because of the purchase cost for the Transcript, it is my intention to access the transcript at the Commission's File Room in Harrisburg. Please let me know when the transcript will be available there.

Also, please confirm the due date for the Initial Brief.

Yours,

Larry Moyer
