STATUS REPORT OF THE DEPARTMENT OF TRANSPORTATION

The Pennsylvania Department of Transportation (“Department”) hereby files the following Status Report, pursuant to the requirements of Ordering Paragraph 21 in the Commission’s Opinion and Order entered October 31, 2007, in the above-referenced matter. This status report pertains to the work ordered to be performed by the Department pursuant to the Commission’s Opinion and Order entered on October 9, 1997, as subsequently modified.

1. The PUC held a final inspection for the Marticville Road (S.R. 0324) project on February 24, 2015. Though nothing in writing has been received by the PUC staff, it was stated in the field that no additional work is needed at this crossing. It is the undersigned’s understanding that there may still be outstanding maintenance for facilities that are not part of the state highway.

2. Pumping Station Road remains pending in the Office of Administrative Law Judge. Norfolk Southern and the Department have requested a stay of the current litigation schedule to try to resolve issues on the removal plan. The Department has been meeting with Eden Township in an attempt to resolve the outstanding issues.

Respectfully submitted,
