Ms. Chiavetta,

I am writing to notify you that effective April 1, 2015, we had Liability and Cargo Insurance. Our Liability insurance is through Lancer Insurance Company and our Cargo is through RT Specialty LLC. We had changed carriers beginning April 1st and that is why it may have seemed like we didn't have insurance. I believe that I did everything required of me and my company to ensure coverage. I was under the assumption that my carriers would file all necessary certificates with PUC. I even double checked with them that the filings were taken care of on April 1st. I am asking that you please waive the penalty as this was all a mix up beyond my control.

Thank you for taking the time to review my response to the complaint. I look forward to hearing from you.

Sincerely,

Rightley L. McConnell
