**ERRATA NOTICE**

This is to advise all parties of record that the Recommended Decision issued on March 16, 2015 in the above-captioned proceeding contains typographical errors of the incorrect smart meter plan companies on p. 2. Please find the corrected pages attached.

I. HISTORY OF THE PROCEEDING

A. Introduction

Pennsylvania Electric Company (Penelec or Company) is an electric distribution company providing electric distribution service subject to the jurisdiction of the Pennsylvania Public Utility Commission (Commission) to customers in northern and central Pennsylvania.

On August 4, 2014, Penelec filed Tariff Electric-Pa. P.U.C. No. 81 (Tariff No. 81) to become effective May 3, 2015 and requested an increase to the base rates charged to ratepayers.

Specifically, Penelec requested that the Commission approve an increase in annual distribution revenues of \$119.8 million, or 8.6% of its total electric operating revenues. The proposed increase consisted of an increase in distribution base rate operating revenues of \$120.316 million, including the roll-in to base rates of the smart meter revenue requirement, and proposed decreases in the Default Service Support and Hourly Pricing Default Service Riders totaling \$0.524 million See Penelec Statement No. 1, at 8).

Also on August 4, 2014, three related FirstEnergy Companies (the Companies) filed tariff supplements requesting increases to the base rates charged to ratepayers by the electric distribution companies. The three companies and the amount of the requested increase to its annual distribution revenue are:

1. Metropolitan Edison Company – \$151.9 million, or 11.5% of its total electric operating revenues;
2. Pennsylvania Power Company – \$28.5 million or 8.7% of total electric operating revenues; and
3. West Penn Power Company – \$115.5 million or 8.4% of total electric operating revenues;

To whom it MAY CONCERN!

I've sent your office, numerous letters;  
made multiple phone calls, explaining that  
we had "dropped out" of this case,

Docket # C-2014-2440983, apparently on  
death ears, now then six months ago.

And finally, this letter  
is to inform you people, that this  
returned notice is the "final straw"; if  
I or my wife receive one more peice of  
"junk mail" from your office, the <sup>rest</sup> of  
correspondence that you'll hear from me, will be  
through my attorney's office, period!

Sincerely  
X. Group
