**RE: C-2015-2424809**

Sir/ Madam, with reference to your letter dated May 19, 2015 (Pennsylvania Public Utility Commission Bureau of Investigation and enforcement)

V.

Dembros Inc.

I misunderstood what officer Freda Culver asked for because I was of the impression that PPA controls and regulates Taxi Cab operations in the City of Philadelphia. My Company did not abandon or discontinued services. First Keystone Risk Retention Group Inc., which covered the operation of my company for so many years quickly went out of business and I switched to TGIF Premium Finance, Inc. PPA allowed some grace period for all affected Taxi Companies under First Keystone to purchase another coverage. TGIF may not have contacted PUC earlier enough about my coverage after I signed off with them. PPA is quite certain that my company was never abandoned or discontinued services for any reason, else they would have contacted me.

I therefore ask for you to reconsider any punitive action against my Company.

Thanking you in advance.

Sincerely Yours,

  
Damian Aguocha
