Re: Application of Greater Communications Telephone Company, Inc.  
for approval to offer, render, furnish or supply telecommunication  
services to the public in the Commonwealth of Pennsylvania

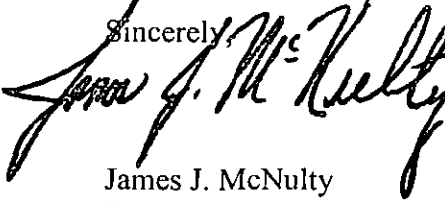

Dear Mr. Wright:

On November 13, 2003, Greater Communications Telephone Company, Inc. filed an Application, at A-311302, for authorization to provision telecommunication service to the public in the Commonwealth of Pennsylvania as a Competitive Local Exchange Carrier (CLEC). On July 29, 2005, staff attempted to call your company and the numbers listed on the application were no longer operational. Staff tried to contact the Applicant again on August 5, 2005, with a Secretary Letter which produced no response from the company. There is also verification with the ILEC that where the Applicant proposed to operate shows no activity. Staff concludes that the Applicant has vacated his application.

You are hereby notified that **Greater Communications Telephone Company, Inc.'s provisional authority is terminated with the receipt of this letter. The Application will be deemed withdrawn and the Secretary's Bureau will mark the case closed.**

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §5.44, file a petition with the Commission within 10 days of the date of this letter. If you have any questions in this matter, please contact Melissa Knerr of the Telecommunications Industry Group in the Bureau of Fixed Utility Services at (717) 783-6171 or mknerr@state.pa.us.
