**PUC Docket No. A-3113/6 F7001**

**JOINT PETITION**

Verizon North Inc. ("Verizon") and Cornerstone Telephone Company, LLC ("CSTC") respectfully submit for the Commission's approval, pursuant to Sections 251 and 252 of the Telecommunications Act of 1996 (the "1996 Act")<sup>1</sup>, the attached Interconnection Agreement dated April 7, 2004 (the "Agreement"). The Agreement provides for the interconnection of the two companies' networks and makes available to CSTC access to unbundled network elements, wholesale telecommunications services, and ancillary services offered by Verizon. Verizon and CSTC respectfully request that the Commission act within the 90 days specified by the 1996 Act and approve the Agreement.

In support of this request, Verizon and CSTC state as follows:

**THE PARTIES**

1. Verizon is an incumbent local exchange carrier authorized to provide local exchange telephone service in Pennsylvania.

2. CSTC is a competitive local exchange carrier that has been granted authority to provide local exchange service in Pennsylvania.

<sup>1</sup>Citations herein to the 1996 Act should be construed as references to sections of the Communications Act of 1934 as amended by the 1996 Act.

## THE AGREEMENT

3. Verizon and CSTC have entered into the Agreement pursuant to Sections 251(c) and 252(a) of the 1996 Act.

4. The Agreement sets forth the terms, conditions and prices under which Verizon and CSTC will offer and provide network interconnection, reciprocal call termination, access to network elements, ancillary network services, and wholesale telecommunications services available for resale to each other within each Local Access and Transport Area ("LATA") in which they both operate in Pennsylvania. The Agreement is an integrated package that reflects a negotiated balance of many interests and concerns critical to both parties.

5. The Agreement addresses a number of complex issues. Key provisions of the Agreement provide for:

- (i) Compensation for Reciprocal Compensation Traffic at rates as specified in the Pricing Attachment to the Agreement;
- (ii) Unbundled loops – providing CSTC access to existing Verizon customers – based on a rate methodology specified in the Agreement;
- (iii) Customers to retain their telephone numbers when they switch to CSTC;
- (iv) Including CSTC customers' primary listings in the appropriate alphabetical directory ("White Pages") and, for business customers, in the appropriate classified directory ("Yellow Pages");
- (v) The resale of Verizon telecommunications services for a wholesale discount as specified in the Pricing Attachment to the Agreement;
- (vi) The continued provision of 911 services to all customers; and
- (vii) Performance standards for services provided by Verizon to CSTC equal to the level of service provided by Verizon to its own end-user customers and other telecommunications carriers.

## **COMPLIANCE WITH THE 1996 ACT**

6. The Agreement satisfies the requirements for Commission approval pursuant to Section 252(e)(2)(A) of the 1996 Act, which provides as follows:

The State commission may only reject ... an agreement (or any portion thereof) adopted by negotiation under subsection (a) if it finds that--

(i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or

(ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity[.]

7. First, the Agreement does not discriminate against any other telecommunications carrier, as required by Section 252(e)(2)(a)(i). To the contrary, any other telecommunications carrier authorized to provide local telephone service in Pennsylvania may obtain the interconnection, unbundling and resale arrangements specified in the Agreement on the same terms and conditions. Nonetheless, other carriers are not bound by the Agreement and remain free to negotiate independently with Verizon pursuant to Section 252 of the 1996 Act.

8. Second, the Agreement is consistent with the public interest, convenience, and necessity, as required by Section 252(e)(2)(a)(ii). It is an important step towards allowing CSTC to compete with Verizon as a facilities-based local telephone service carrier for both residential and business customers. The Agreement will also be available to all local exchange competitors under Section 252(i) of the 1996 Act.

## **APPROVAL OF THE AGREEMENT**

9. The parties respectfully request that the Commission expedite its review of the Agreement to facilitate implementation of competition in the local exchange market. Although

under Section 252(e)(4) of the 1996 Act, the Commission has 90 days to approve or reject the Agreement, the parties request that the Commission act sooner than that date if at all possible.

**WHEREFORE,** Verizon and CSTC respectfully request that the Commission approve the attached interconnection agreement pursuant to Section 252(e) of the 1996 Act.

Respectfully submitted,
