LORINE ANGELO OGURKIS VP-ASSOCIATE GENERAL COUNSEL
EAGLE ROCK RESORT
1 COUNTRY CLUB DR
HAZLE TOWNSHIP PA 18202

Dear Ms. Ogurkis:

On May 11, 2015, the Commission received your Request for Exemption from Underground Requirements of Eagle Rock Resort. Upon initial review, the Petition has been determined to be deficient for the following reasons:

- **Names of electric and telephone utilities which provide service to the development.**
- **Date on which the construction began or will begin; whether the development is a new development or one phase in a development to be completed in several phases; and whether facilities in the area surrounding the development have been installed underground or overhead.**
- **Original signed Certificate of Service. (Must include service on local government authorities: county and township solicitor, and to other affected persons and utilities: electric and telephone companies.)**

You are required to correct these deficiencies. Failure to do so within 20 days of the date of this letter will result in the Petition being returned unfiled.

Please note: the 180 day decision time frame DOES NOT start until the deficient items are received by the Commission.

Please return your items to the above listed address and address to the attention of Secretary Chiavetta.
