Re: Stream Energy Pennsylvania, LLC's Application for Reduction in Security Requirements
and Change in Security Instruments
Docket No. A-2010-2181867

Dear Secretary Chiavetta:

Enclosed please find public and **CONFIDENTIAL** copies of a June 4, 2015 tax status letter for Stream Energy Pennsylvania, LLC ("Stream Energy") as requested by Staff from Technical Utility Services regarding the September 12, 2014 request from Stream Energy for approval of a reduction in its required security to operate as a licensed electric generation supplier in Pennsylvania and that it be permitted to rely upon a segregated cash account to satisfy its security requirements pursuant to the Final Order entered July 24, 2014 at Docket No. M-2013-2392141. Stream served a copy of the application to the statutory advocates as well as the electric distribution companies and filed a certificate of service on October 2, 2014. Stream provided additional information on October 10, 2014 in further support of its request based on subsequent discussions with Staff from Technical Utility Services.

Stream requests confidential treatment of the enclosed because Stream Energy is a privately held company and is not subject to public reporting requirements with respect to this information, and Stream Energy does not publish or otherwise make available for use by the general public or its competitors its financial, business operation or tax information. Accordingly, Stream Energy respectfully requests the Commission to maintain the confidentiality of this information.

Please do not hesitate to contact me if you have any questions or need additional information.

Sincerely,

Deanne M. O'Dell
