Docket No. A-2013-2367521**

Dear Secretary Chiavetta:

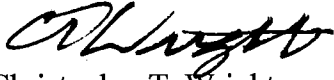

By Order entered December 5, 2013, the Pennsylvania Public Utility Commission (“Commission”) approved the above-referenced Application. In Ordering Paragraph No. 2, the Commission directed PPL Electric Utilities Corporation (“PPL Electric”) to notify the Commission when PPL Electric and the Pennsylvania Game Commission reached an agreement regarding the route near the Wagners Substation.

Please be advised that on or about April 9, 2015, the Pennsylvania Game Commission and PPL Electric entered into a license for the right-of-way in question near the Wagners Substation. Consequently, no alternative routes or additional rights-of-way are required for the project.

Should you have any questions concerning this matter, please do not hesitate to contact the undersigned.
