## **AGREEMENT FOR LOCAL INTERCONNECTION**

This Agreement For Local Interconnection ("Agreement") made this 1<sup>st</sup> day of July, 2014, is by and between Commonwealth Telephone Company, LLC, a Pennsylvania limited liability company, having its principal place of business at 3 High Ridge Park, Stamford, CT 06905 ("Frontier") and Centurylink Communications, LLC, a Delaware limited liability company, having its principal place of business at 1801 California Street, Denver, CO 80202 ("CLC"). Frontier and CLC may also be referred to herein singularly as a "Party" or collectively as "the Parties".

### **SECTION 1. RECITALS AND PRINCIPLES**

Frontier is a telecommunications company authorized to provide telecommunications services in the State of Pennsylvania; and

CLC is a telecommunications company authorized by the Commission to provide local exchange telecommunications services in the State of Pennsylvania; and

The Parties have in good faith negotiated, and agreed on local Interconnection terms and conditions as set forth below; and

In consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, CLC and Frontier hereby covenant and agree as follows:

### **SECTION 2. GENERAL DEFINITIONS**

Except as otherwise specified herein, the following definitions will apply to all sections contained in this Agreement. Additional definitions that are specific to the matters covered in a particular section may appear in that section.

- 2.1. Access Service is a service that connects interexchange carriers to their End Users located within a local access and transport area (LATA). Access service is used in originating and terminating intraLATA/interLATA toll telecommunications.
- 2.2. Access Service Request (ASR) means the industry standard forms and supporting documentation used for ordering Access Services. The ASR will be used to identify the specific trunking and facilities request for Interconnection.
- 2.3. Act means the Telecommunications Act of 1934, as amended from time to time.
- 2.4. Automatic Number Identification (ANI) refers to the number transmitted through the network identifying the calling party.
- 2.5. CLLI Codes means Common Language Location Identifier Codes
- 2.6. Commission means the governing state regulatory commission, board or authority (PSC, PUC, etc.).
- 2.7. Competitive Local Exchange Carrier (CLEC) means a telephone company certified by the Commission, for Frontier's franchised area, to provide local exchange service within Frontier's franchised area, and which has a Local Exchange CarrierTariff approved by the Commission.

2.8. DS1 is a digital signal rate of 1.544 Megabits per second ("Mbps").

2.9. DS3 is a digital signal rate of 44.736 Mbps.

2.10 End User means the ultimate user or consumer of the telecommunications services being sold or resold by either Party.

2.11 End User Location means the physical location of the premises where an End User makes use of the telecommunications services.

2.12 End User Of Record means the entity responsible for placing orders or requests for service; requesting additions, rearrangements, maintenance or discontinuance of service, and making payment in full of charges incurred such as toll, directory assistance, etc.

2.13 Enhanced Services shall refer to services, offered over common carrier transmission facilities, which employ computer processing applications that act on the format, content, code, protocol or similar aspects of the subscriber's transmitted information; provide the subscriber additional, different, or restructured information; or involve subscriber interaction with stored information. In addition and without limiting the foregoing, internet, information services, voicemail, and so-called "chat line" services are Enhanced Services, of which the voice or TDM component both originates and terminates within the local calling area as defined by Citizens tariffs. If the voice or TDM component does not both originate and terminate within such local calling area, the traffic shall not be covered by this Agreement and shall be subject to interstate or intrastate access tariffs depending on the geographic points of voice or TDM origination and termination.

2.14 Exchange Message Interface (EMI) is the standard used for exchange of telecommunications message information between telecommunications providers for billable, non-billable, sample, settlement and study data. EMI format is contained in ATIS/OBF-EMI-016, an Alliance of Telecommunications Industry Solutions (ATIS) document, which defines industry standards for exchange message records.

2.15 Interconnection in this Agreement is as defined in the Act.

2.16 Internet Service Provider (ISP) Bound Traffic means traffic delivered by a local exchange carrier, indirectly or directly, to a provider of Internet Services, of which the voice or TDM component both originates and terminates within the local calling area as defined by Citizens tariffs. If the voice or TDM component does not both originate and terminate within such local calling area, the traffic shall not be covered by this Agreement and shall be subject to interstate or intrastate access tariffs depending on the geographic points of voice or TDM origination and termination.

2.17 Local Exchange Routing Guide (LERG) is a Telcordia reference document used by carriers to identify NPA-NXX routing and homing information as well as network element and equipment designations.

2.18 Local Traffic shall refer to calls originated by one Party's End Users and terminated to the other Party's End Users within the local exchange area or extended area service toll free calling area as defined in Frontier's tariffs. Local calls must be actually originated by and actually terminated to parties physically located within the same local calling area regardless of the NXX assigned to the calling and called parties.

2.19 Local Service Provider Guide (the "Guide") means the document provided to carriers by Frontier, included by reference herein, which outlines the process and procedures for ordering and maintaining carrier services. This document may be updated from time to time by Frontier. This document is to be used as reference only and is not a part of this agreement.

2.20 Network Interface Device (NID) is a device that connects the inside wire at the End User Location to a telephone network.

2.21 Point of Interconnection (POI) means the physical location(s) at which the Parties' networks meet for the purpose of exchanging Local Traffic.

2.22 Reciprocal Compensation is as Described in the Act.

2.23 Transit Service is the delivery of certain traffic between CLC and a third party ILEC, CLEC or CMRS provider by Frontier over a separate trunk group between CLC and Frontier where appropriate trunks exist between CLC and third party through Frontier's tandem. The following traffic types will be delivered: (I) Local Traffic originated from CLC to such third-party and (ii) Local Traffic originated from such third-party to Frontier's tandem and terminated to CLC .

2.24 A Wire Center is the location of one or more local switching systems, a point at which End Users' loops converge.

2.25 VNXX Traffic The Parties will not pay reciprocal compensation on traffic, including Enhanced Services traffic, when the traffic does not originate and terminate within the same Frontier Local Calling Area, regardless of the calling and called NPA-NXXs and, specifically, regardless of whether an End User Customer is assigned an NPA-NXX associated with a rate center that is different from the rate center where the End User Customer is physically located. This traffic is also known as "VNXX traffic." Frontier's agreement to the terms in this paragraph is without waiver or prejudice to Frontier's position is that it has never agreed to exchange VNXX traffic with CLC .

### **SECTION 3. DEPOSIT and ASSURANCE/ADVANCE PAYMENT REQUIREMENTS**

3.1 Frontier may, in order to safeguard its interest, require CLC to make a deposit to be held by Frontier as a guarantee of the payment of rates and charges, unless satisfactory credit has already been established. Any such deposit may be held during the continuance of the service as security for the payment of any and all amounts accruing for the service. A deposit will be returned with interest, at the Commission prescribed deposit rate, if and when CLC pays its undisputed bills on time for 24 consecutive months.

3.1.1 Assurance of payment of charges may be requested by Frontier if CLC (a) prior to the Effective Date, has failed to timely pay a bill rendered to CLC by Frontier or its Affiliates, (b) on or after the Effective Date, fails to timely pay a bill rendered to CLC by Frontier or its Affiliates, (c) in Frontier's reasonable judgment, at the Effective Date or at any time thereafter, is unable to demonstrate that it is creditworthy, or (d) admits its inability to pay its debts as such debts become due, has commenced a voluntary case (or has had a case commenced against it) under the U.S. Bankruptcy Code or any other law relating to bankruptcy, insolvency, reorganization, winding-up, composition or adjustment of debts or the like, has made an assignment for the benefit of creditors or is subject to a receivership or similar proceeding.

3.2 Such deposit may not exceed two (2) months' estimated billing.

3.3 The fact that a deposit has been made in no way relieves CLC from complying with Frontier's regulations as to advance payments and the prompt payment of bills on presentation nor, does it constitute a waiver or modification of the regular practices of Frontier providing for the discontinuance of service for non-payment of any sums due Frontier.

3.4 Frontier reserves the right to increase the deposit requirements when, in its sole judgment, the conditions justify such action; such conditions include but are not limited to: current deposit does not cover two (2) months billing, history of late payment, or reconnection after disconnection for non-payment, or a significant probability of a bankruptcy filing by CLC .

3.5 In the event that CLC defaults on its account, service to CLC will be terminated and any deposits held will be applied to its account.

#### **SECTION 4. CLC ACCOUNT SET UP**

4.1 CLC must provide the appropriate Frontier representative the necessary documentation to enable Frontier to establish a master account for CLC. Such documentation will include a completed CLC Master Account Questionnaire, proof of authority to provide telecommunications services within Frontier territory, proof that tariffs are on file and approved by the applicable Commission, and a tax exemption certificate, if applicable. Frontier will have no obligation to begin taking orders for service until after the necessary documents have been provided to Frontier, and the necessary deposit requirements are met.

#### **SECTION 5. SERVICE TO END USER**

5.1 CLC will be the End User of Record for all services purchased from Frontier. Except as otherwise specified herein, Frontier will only take orders from, bill and expect payment from CLC for all services. CLC will be Frontier's single point of contact for all services purchased pursuant to this Agreement.

5.2 Frontier will continue to bill the End User for any services that the End User specifies it wishes to receive directly from Frontier.

5.3 Frontier maintains the right to actively market and serve directly any End User within Frontier's serving area. Frontier will continue to directly market its own telecommunications products and services and in doing so may establish independent relationships with End Users of CLC.

5.4 Service is furnished subject to the condition that it will not be used for any unlawful purpose. Frontier may refuse to provide service to CLC when it has reasonable grounds to believe that service will be used in violation of the law.

5.5 Service will be discontinued by Frontier if any law enforcement agency advises that the service is being used in violation of the law.

5.6 Subject to the dispute provisions of this agreement, Frontier may refuse to provide service to CLC when it has reasonable grounds to believe that service will jeopardize the reliability or efficiency of Frontier's network or interferes with or prevents other persons from using their service, or otherwise impairs the quality of service to other carriers or to End Users.

5.7 CLC will be the single point of contact with Frontier for all subsequent ordering activity resulting in additions or changes to services except that Frontier will accept a request directly from the End User for conversion of the End User's service from CLC to Frontier or will accept a request from another carrier for conversion of the End User's service from CLC to the other carrier.

#### **SECTION 6. COORDINATION OF TRANSFER OF SERVICE (EXCLUDING RESALE)**

6.1 Coordination of Transfer of Service. To serve the public interest of End Users, the Parties agree that, when an End User transfers service from one Party to the other Party, it is necessary for the Parties to coordinate the timing for disconnection from one Party and connection with the other Party so that transferring End Users are not without service for any extended period of time. Other coordinated activities associated with transfer of service will be coordinated between the Parties to ensure quality services to the public.

6.2 Procedures for Coordinated Transfer of Service Activities. The Parties agree to establish mutually acceptable, reasonable, and efficient transfer of service procedures that utilize the industry standard LSR format for the exchange of necessary information for coordination of service transfers between the Parties. Frontier may describe some of these procedures in its Guide. Reference to Frontier

Guide is for convenience of the Parties and is not intended to be a part of or to affect the meaning of this Agreement, including, but not limited to, provisions with respect to implementation of the cooperative coordination of transfer of service activities described herein. If any provision contained in this Agreement and the Guide cannot be reasonably construed or interpreted to avoid conflict, the provision contained in this Agreement shall apply.

6.3 Coordinated Transfer of Service Activities. There will be no premium charges between the Parties or compensation provided by one Party to the other Party for the coordinated transfer of service activities between the hours of 8:00 a.m. and 5:00 p.m. Monday - Friday excluding holidays. Frontier may charge CLC for the coordinated transfer of service activities scheduled outside of the specified hours in accordance with Frontier's tariff.

6.4 Letter of Authorization. Each Party is responsible for obtaining a Letter of Authorization (LOA) from each End User initiating transfer of service from one Party to the other Party if necessary. The Party obtaining the LOA from the End User will furnish it to the other Party upon request. The Party obtaining the LOA is required to maintain the original document, for a minimum of twenty-four (24) months from the date of signature. If there is a conflict between an End User and CLC regarding the disconnection or provision of services, Frontier will honor the latest dated Letter of Authorization. If the End User's service has not been disconnected and services have not yet been established, CLC will be responsible to pay the applicable service order charge for any order it has placed. If the End User's service has been disconnected and the End User's service is to be restored with Frontier, CLC will be responsible to pay the applicable nonrecurring charges as set forth in Frontier applicable tariff to restore the End User's prior service with Frontier.

6.5 Transfer of Service Announcement. Where an End User changes service from one Party to the other Party and the End User does not retain his or her original telephone number, the Party formerly providing service to the End User will provide a transfer of service announcement, where transfer of service announcement capability is available, on the vacated telephone number. This announcement will provide details regarding the new number that must be dialed to reach this End User. The service announcement will be provided, where available, by the Party formerly providing service to the extent and at the price specified in the applicable Frontier tariff.

6.6 Disconnect and Transfer of Service Announcement Coordination for Service Transfers with Change of Number. When an End User changes service from one Party to the other Party and the End User does not retain his or her original telephone number, the Party from which the End User is transferring will honor requests for disconnection and service announcement initiation, where available, from the Party to which the End User is transferring. The Party to which the End User is transferring service will provide to the other Party the End User's name, address, current telephone number, new telephone number, and date service should be transferred using the industry standard LSR format. The Party from which the End User is transferring will coordinate with the other Party the disconnection and service announcement initiation to coincide with the service transfer request date. The service announcement where available will be provided on the vacant number upon disconnect coinciding with the service transfer date. The Parties agree that the installation date will precede the disconnection date.

6.7 Disconnect and Coordination of Number Portability for Service Transfers without Change of Number. When an End User changes service from one Party to the other Party and the End User retains his or her original telephone number(s), the Party from which the End User is transferring will honor requests for disconnection and local number portability, where available, from the Party to which the End User is transferring. The Party to which the End User is transferring will provide the other Party the End User's name, address, current telephone number, and the Location Routing Number (LRN) for LNP, and the date service should be transferred using the industry standard LSR format. With LNP, the Parties will coordinate the disconnection, the connection, and number portability activities in accordance with the North American Numbering Council (NANC) flows.

6.8 Combined Transfer of Service Requests. Each Party will accept transfer of service requests from the other Party for one End User that includes multiple requests for transfers where the End User will retain one or more telephone numbers.

6.9 Bulk Requests for Transfer of Service. From time to time, either Party may benefit from the transfer of service for groups. The Parties agree to process bulk transfer of service requests for End Users having the same billing account number.

6.10 Access to the Network Interface Device (NID). Each Party will allow the other Party access to the End User side of the NID consistent with FCC rules. The Party to which the End User is transferring service may move all inside wire from the other Party's existing NID to one provided by the Party to which the End User is transferring service. Where a NID is of the type which provides for End User access to one side of the NID, the Party to which the End User is transferring service may elect to remove the inside wire at the connection(s) within the End User side of the NID. Where a NID is of an older type not allowing access to the End User side of the NID, the Party to which the End User is transferring service must make a clean cut of the inside wire at the closest point to the NID.

6.11 Expedited Order Charge. Expedited order requests will be accepted where reasonable and practical but will be assessed an expedited order charge. The expedited order charges are listed in Attachment 7, Pricing.

6.12 Service Date Modifications/ CLC Not Ready. CLC may request a change in due date at least 24 hours prior to the originally scheduled due date. Supplemental charges will apply when a request for a new due date is received after the LSR has been confirmed via firm order commitment (FOC). Supplemental order charges are listed in Attachment 7, Pricing. Alternate workforce is required when an increase in the complexity of the service order results in a higher per hour rate. If the new service date is changed to an earlier date, than expedited order charges will apply. If the request for modification to the service date occurs within twenty-four (24) hours of the scheduled due date, CLC will be subject to charges for work and labor-related expenses already completed. If the due date change is requested due to a class of service change, additional and/or alternate workforce may be required and associated charges will apply. These charges will apply on a per occurrence basis.

## **SECTION 7. AUDIT**

7.1 Subject to the terms and conditions of this Section, and the reasonable security requirements of each Party and except as may be otherwise specifically provided in this Agreement, each Party (the "Auditing Party") may audit the other Party's (the "Audited Party") books, records and other documents that relate solely to the Parties' billing to the other Party under this Agreement and to the identification of traffic subject to this Agreement, once each year at the conclusion of each calendar year, in order evaluate the accuracy of such other Party's billing and invoicing. The Parties may employ other persons or firms for this purpose. Such audits shall take place at a time and place agreed to by the Parties no later than thirty (30) days after notice thereof to such other Party.

7.2 Each Audited Party shall use reasonable efforts to promptly correct any billing error that is revealed in an audit, including reimbursing any overpayment in the form of a credit to the Auditing Party on the invoice for the first full billing cycle after the Parties have agreed upon the accuracy of the audit results. Any disputes concerning audit results shall be resolved pursuant to the Dispute Resolution Section of the General Terms and Conditions of this Agreement.

7.3 Each Audited Party shall cooperate fully in any such audit, providing reasonable access to any such auditors, providing reasonable access to any and all appropriate employees and relevant books, records and other documents reasonably necessary to assess the accuracy of its bills.

7.4 Each Auditing Party may perform a single additional audit of the Audited Party's relevant books, records and documents during any calendar year if the previous audit uncovered incorrect net variances

or errors in invoices in favor of the Audited Party having an aggregate value of no less than five percent (5%) of the total amount payable by the Auditing Party during the period covered by the audit.

7.5 All audits shall be conducted at the sole cost and expense of the Auditing Party.

7.6 Upon (i) the discovery by either Party of the overcharges not previously reimbursed to the other Party or (ii) the resolution of disputed audits, each Party shall promptly reimburse to the Party thereto the amount of any overpayment together with interest thereon at a rate of 0.5% per month.

## **SECTION 8. DISPUTE RESOLUTION**

The Parties agree that in the event of a default or any other dispute arising hereunder or in connection herewith, the aggrieved Party shall first discuss the default or dispute with the other Party and seek resolution prior to taking any action before any court or regulator or before authorizing any public statement about or disclosure of the nature of the dispute to any third party. In the event that the Parties are unable to resolve a default or other dispute, the Parties may then submit the matter to the Commission or another mutually agreed upon mediator for non-binding mediation. If mediation is unsuccessful, recourse may be had by either Party to the Commission, if it has jurisdiction over the breach or dispute or to an appropriate court having jurisdiction over the Parties and the dispute. Each Party shall bear the cost of preparing and presenting its case through all phases of the dispute resolution procedure herein described.

## **SECTION 9. FORCE MAJEURE**

If the performance of the Agreement, or any obligation hereunder is prevented, restricted or interfered with by reason of any of the following:

9.1 Fire, explosion, flood, earthquake, hurricane, cyclone, tornado, storm, epidemic, breakdown of plant or power failure;

9.2 War, revolution, civil commotion, acts of public enemies, terrorism, blockade or embargo;

9.3 Any law, order, proclamation, regulation, ordinance, demand or requirement of any government or any subdivision, authority, or representative of any such government;

9.4 Labor difficulties, such as strikes, picketing or boycotts;

9.5 Delays caused by other service or equipment vendors;

9.6 Any other circumstance beyond the reasonable control of the Party affected;

then the Party affected, upon giving notice to the other Party, will be excused from such performance on a day-for-day basis to the extent of such prevention, restriction, or interference (and the other Party will likewise be excused from performance of its obligations on a performance so prevented, restricted or interfered with); provided that the Party so affected will use reasonable efforts to avoid or remove such causes of nonperformance and both Parties will proceed to perform with dispatch whenever such causes are removed or cease.

## **SECTION 10. REGULATORY APPROVALS**

10.1 This Agreement, and any amendment or modification hereof, will be submitted to the Commission for approval in accordance with Section 252 of the Act. In the event any governmental authority or agency of competent jurisdiction rejects any provision hereof, the Parties shall negotiate promptly and in good faith such revisions as may reasonably be required to achieve approval.

10.2 In the event the FCC or the Commission promulgates rules or regulations, rates or issues orders, or a court with appropriate jurisdiction issues orders, which make unlawful or changes the intent of any provision of this Agreement, the Parties shall negotiate promptly and in good faith in order to amend the Agreement to substitute contract provisions which are consistent with such rules, regulations or orders. In the event the Parties cannot agree on an amendment within thirty (30) days from the date any such rules, regulations or orders become effective, then the Parties shall resolve their dispute under the applicable procedures set forth in the Dispute Resolution Section of this Agreement.

10.3 The Parties acknowledge that terms of this Agreement were established pursuant to FCC and Commission orders. Nothing in this Agreement shall be deemed an admission by the Parties regarding the interpretation or effect of these rules or orders or an admission by either party that the existing rules or order shall not be changed, vacated dismissed or modified.

10.4 The Parties jointly agree to cooperate in the filing of this Interconnection Agreement and share equally the expenses associated with obtaining Commission approval.

#### **SECTION 11. ENTIRE AGREEMENT**

This Agreement sets forth the entire understanding and supersedes prior agreements between the Parties relating to the subject matter contained herein and merges all prior discussions between them, and neither Party will be bound by any definition, condition, provision, representation, warranty, covenant or promise other than as expressly stated in this Agreement or as is contemporaneously or subsequently set forth in writing and executed by a duly authorized officer or representative of the Party to be bound thereby.

#### **SECTION 12. TERM OF AGREEMENT**

12.1 This Agreement will become effective upon the first business day following the date this Agreement has been approved by the Commission and will continue for a period of three (3) years unless terminated earlier under the conditions set forth herein. This Agreement will be automatically renewed for successive periods of six (6) months after the initial term unless either Party provides the other Party with no less than ninety (90) day's prior, written notification of, in the case of Frontier, its intent to terminate this Agreement, or, in the case of either Party, its desire to renegotiate at the end of the initial or any successive period. If CLC does not respond to Frontier's written notification of the intent to terminate the Agreement prior to the expiration of the Agreement term, the Agreement will terminate and not renew at the end of the Agreement term. Either Party may send a request to renegotiate this Agreement upon its termination and the Parties intend that the negotiation and arbitration processes of the Act will be applicable to such a request. The date of the notice to negotiate a successor agreement will be the starting point for the negotiation window under Section 252 of the Act. The Parties intend that a renegotiated or arbitrated Agreement will be effective as of the date of termination of this Agreement and any new negotiated or arbitrated rates will be subject to true-up as of the termination date of this Agreement.

12.2 Upon termination or expiration of this Agreement each Party shall promptly pay all amounts (including any late payment charges) owed under this Agreement.

12.3 Termination upon Ordering and Implementation Inactivity. Notwithstanding anything to the contrary contained herein, Frontier may terminate this Agreement in the event CLC has not (a) placed any initial orders for any of the services to be provided pursuant to this Agreement and (b) implemented any said services to CLC customers within one (1) year from the Effective Date of this Agreement.

#### **SECTION 13. INSURANCE**

13.1 CLC will carry or cause to be carried the following insurance coverage which will be paid for and maintained at all times during the term of this Agreement. Such coverage will be provided through an

insurance provider with an A.M. Best financial rating of "A-" VII or better. Frontier shall be named as an additional insured on all applicable policies as specified below except for Workers' Compensation.

(i) Commercial General Liability Insurance with a minimum limit of liability of \$2,000,000.00 combined single limit for each occurrence for bodily injury including death, and property damage. Such coverage under the Contractual Liability section will be broad enough to cover the terms and conditions of the Indemnification clause included with this Agreement. Coverage for explosion collapse and underground ("**x, c, u**") will be included.

(ii) Business Automobile Liability Insurance with a minimum limit of liability of \$2,000,000.00 combined single limit for each occurrence for bodily injury, including death, and property damage, covering any automobile used and or operated by, or on behalf of CLC on Frontier's Real Property.

(iii) Workers Compensation Insurance with statutory limits and Employer's Liability Insurance with limits of \$500,000 each accident, \$500,000 disease - each employee, \$500,000 disease - policy limit.

(iv) Excess Liability Insurance with a minimum limit of \$10,000,000. The limit of liability under this insurance may be increased accordingly to satisfy the minimum limit requirements under the Commercial General Liability, Business Automobile Liability and Employer's Liability Insurances.

(v) Property Insurance in an amount sufficient to cover the cost of replacing CLC 's Equipment on Frontier's property or located at or used at Frontier's facility. Such insurance policy will provide that the insurance company will waive all rights of recovery by way of subrogation against Frontier in connection with any damage covered by the policy.

(vi) Upon the commencement of this Agreement and prior to commencement of the work called for in the Agreement and upon renewal of any policy referenced, satisfactory evidence of compliance with such insurance requirements will be issued to the Frontier.

(vii) All insurance must be in effect on or before the occupancy date and shall remain in force as long as CLC 's facilities remain within any spaces governed by this Agreement.

(viii) CLC shall present evidence of insurance, if requested by Frontier, reflecting the coverage specified in 13.1(i) and above prior to the commencement of the work called for in the Agreement and after each policy renewal thereafter.

(viii) Failure to comply with the provisions of this Section will be deemed a material breach of this Agreement.

#### **SECTION 14. AMENDMENT OF AGREEMENT**

No provision of this Agreement shall be deemed waived, amended or modified by either Party unless such a waiver, amendment or modification is in writing, dated, and signed by both Parties.

#### **SECTION 15. WAIVERS**

15.1 No waiver of any provisions of this Agreement and no consent to any default under this Agreement shall be effective unless the same shall be in writing and properly executed by or on behalf of the Party against whom such waiver or consent is claimed.

15.2 No course of dealing or failure of any Party to strictly enforce any term, right, or condition of this Agreement in any instance shall be construed as a general waiver or relinquishment of such term, right or condition.

15.3 Waiver by either Party of any default by the other Party shall not be deemed a waiver of any other default.

**SECTION 16. INDEPENDENT CONTRACTORS**

Each Party agrees that it will perform its obligations hereunder as an independent contractor and not as the agent, employee, or servant of the other Party. Neither Party nor any personnel furnished by such Party will be deemed an employee or agent of the other Party nor be entitled to any benefits available under any plans for such other Party's employees. Each Party will at all times during the term of this Agreement retain full control of the employment, direction, compensation and discharge of all employees as is consistent with and necessary to preserve its independent contractor status. Each Party will be solely responsible for all matters relating to payment of its employees including compliance with social security taxes, withholding taxes, worker's compensation, disability and unemployment insurance, and all other regulations governing such matters.

**SECTION 17. LIMITATION OF LIABILITY**

17.1 With the exception of the indemnification obligations delineated in Section 18 of this Agreement, each Party's liability to the other Party for any loss relating to or arising out of any act or omission in its performance under this Agreement, whether in contract, warranty, strict liability, or tort, including (without limitation) negligence of any kind, shall be limited to the total amount that is or would have been charged to the other Party by such breaching Party for the service(s) or function(s) not performed or improperly performed.

17.2 EXCEPT AS OTHERWISE PROVIDED IN SECTION 17.1, NEITHER PARTY WILL BE LIABLE TO THE OTHER IN CONNECTION WITH THE PROVISION OR USE OF SERVICES PROVIDED UNDER THIS AGREEMENT. NEITHER PARTY WILL BE LIABLE TO THE OTHER FOR ANY LOSS, COST, CLAIM, INJURY, LIABILITY OR EXPENSE, INCLUDING REASONABLE ATTORNEY'S FEES, RELATING TO OR ARISING OUT OF ANY ORDINARY NEGLIGENT ACT OR OMISSION BY A PARTY. IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, INCOME OR REVENUE, EVEN IF ADVISED OF THE POSSIBILITY THEREOF, WHETHER SUCH DAMAGES ARISE OUT OF BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR ANY OTHER THEORY OF LIABILITY AND WHETHER SUCH DAMAGES WERE FORESEEABLE OR NOT AT THE TIME THIS AGREEMENT WAS EXECUTED.

17.3 No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants or employees for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, termination, changing, or providing or failing to provide services or facilities (including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.

**SECTION 18. INDEMNITY**

18.1 Each Party will defend, indemnify, and hold harmless the other Party from any liabilities, claims or demands (including the costs, expenses and reasonable attorney's fees on account thereof) that may be made by third parties for (a) personal injuries, including death, or (b) damage to tangible property resulting from the sole negligence and/or sole willful misconduct of that Party, its employees or agents in the performance of this Agreement. Each Party will defend the other at the other's request against any such liability, claim, or demand. Each Party will notify the other promptly of written claims or demands against such Party of which the other Party is solely responsible hereunder.

18.2 Each Party will defend, indemnify, and hold harmless the other Party and/or acquire any license or right for the benefit of the other Party, arising from any claim, demand or proceeding (hereinafter "Claim") by any third party alleging or asserting that the use of any circuit, apparatus, or system, or other

facilities, or the use of any software, or the performance of any service or method, or the provision or use of any facilities by either Frontiers or CLC under this Agreement constitutes direct or contributory infringement, or misuse or misappropriation of any patent, copyright, trademark, trade secret, or any other proprietary or intellectual property right of any third party. Each Party's indemnification obligation will be to the extent of infringement by the indemnifying Party

18.3 The indemnified Party will notify the indemnifying Party promptly in writing of any claims, lawsuits, or demands by third Parties for which the indemnified Party alleges that the indemnifying Party is responsible under this Section and if requested by the indemnifying Party, shall tender the defense of such claim, lawsuit or demand.

(1) In the event the indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the indemnified Party may proceed to defend or settle said action and the indemnifying Party shall hold harmless the indemnified Party from any loss, cost, liability, damage and expense.

(2) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.

(3) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

18.4 Notwithstanding any other provisions of this Agreement, in the case of claims or loss alleged or incurred by an End User Customer of CLC arising out of or in connection with services provided to the End User Customer by CLC, CLC shall defend and indemnify Frontier and its officers, directors, employees and agents against any and all such claims or loss by CLC's End User Customers.

## **SECTION 19. DISCLAIMER OF WARRANTIES**

19.1 NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT (INCLUDING WITHOUT LIMITATION THE PARTIES' RESPECTIVE INDEMNIFICATION OBLIGATIONS), THE PARTIES AGREE THAT FRONTIER HAS NOT MADE, AND THAT THERE EXISTS, NO WARRANTY, EXPRESS OR IMPLIED, THAT THE USE BY CLC OF FACILITIES, ARRANGEMENTS, OR SERVICES PROVIDED BY FRONTIER UNDER THIS AGREEMENT WILL NOT GIVE RISE TO A CLAIM BY ANY THIRD PARTY OF INFRINGEMENT, MISUSE, OR MISAPPROPRIATION OF ANY INTELLECTUAL PROPERTY RIGHT OF SUCH THIRD PARTY.

19.2 It is the express intent of the Parties that each Party be solely responsible for all claims of its End Users, including, without limitation, any credits or adjustments that may be issued or required to be issued to its End Users.

## **SECTION 20. ASSIGNMENT**

Any assignment or delegation by either Party to any non-affiliated entity or to any affiliated entity that is not certificated as a local exchange carrier of any right, obligation or duty, or of any other interest hereunder, in whole or in part, without the prior written consent of the other Party shall be void. A Party assigning or delegating this Agreement or any right, obligation, duty or other interest hereunder to an affiliate that is certificated as a local exchange carrier shall provide written notice to the other Party. All obligations and duties of any Party under this Agreement shall be binding on all successors in interest and assigns of such Party. No assignment or delegation hereof shall relieve the assignor of its obligations under this Agreement.

## **SECTION 21. CONTROLLING LAW**

This Agreement shall be governed by and construed in accordance with the Act, the FCC's Rules and Regulations, and the Commission Rules and Regulations, except insofar as state law may control any aspect of this Agreement, in which case the domestic laws of the state, without regard to its conflicts of laws principles, shall govern.

**SECTION 22. SEVERABILITY**

Subject to Section 10, Regulatory Approval, if any part of this Agreement is held to be invalid for any reason, such invalidity will affect only the portion of this Agreement, which is invalid. In all other respects this Agreement will stand as if such invalid provision had not been a part thereof, and the remainder of the Agreement shall remain in full force and effect.

**SECTION 23. NO JOINT VENTURE OR THIRD PARTY BENEFICIARIES**

23.1 Nothing herein contained shall be construed as creating a partnership or joint venture by or between the Parties.

23.2 The provisions of this Agreement are for the benefit of the Parties and not for any other Person. This Agreement will not provide any Person not a Party to this Agreement with any remedy, claim, liability, reimbursement, claim of action, or other right in excess of those existing by reference in this Agreement.

**SECTION 24. CHARGES AND PAYMENTS**

24.1 In consideration of the services provided by Frontier under this Agreement, CLC shall pay the charges set forth in this Agreement and in applicable tariffs. In consideration of the services provided by CLC under this Agreement, Frontier shall pay the charges set forth in this Agreement. Invoices with charges set forth in this Agreement and in applicable tariffs shall be sent to:

Frontier Communications  
Attention: Access Billing  
P.O. Box 92713  
Rochester, NY 14692

24.2 A monthly billing statement with a consistent, regular bill date shall be prepared by each Party and will reflect the calculation for amounts due under this Agreement. All bills dated as set forth above will be due thirty (30) days after the bill date or by the next bill date (i.e., the same date in the following month as the bill date), whichever is the shortest interval, except as provided herein, and are payable in immediately available funds. If such payment date would cause payment to be due on a Saturday, Sunday or Legal Holiday, payment for such bills will be due on the last business day preceding the Saturday, Sunday or Legal Holiday. When a bill has been delayed, the due date will be extended by the number of days the bill was delayed, upon request of the receiving Party.

24.3 Billing: The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:

24.3.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the Billed Party) shall within thirty (30) days of its receipt of the invoice containing such a disputed amount give written notice to the Billing Party of the amount it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Billed Party shall pay when due all undisputed amounts to the Billing Party, and shall include a copy of the dispute with the payment of the undisputed amount.

24.3.2 In the event that a billing dispute is resolved in favor of the Billed Party, any payment of the disputed amount withheld pending settlement of the dispute shall not be subject to the late payment penalty.

24.3.3 In the event that a billing dispute is resolved in favor of the Billing Party, any payments withheld pending settlement of the dispute will be subject to the late payment penalty as set forth herein.

24.3.4 Undisputed amounts shall be paid when due as set forth in Section 24.2 above. If any payment or portion thereof is either received by the Billing Party in funds that are not immediately available to the Billing Party or not received by the bill due date, a late payment penalty shall be due to the Billing Party. The late payment penalty shall be 1.5% per month or 18% annually, or the maximum allowed by law, whichever is less.

24.4 Both Parties shall use the Dispute Resolutions procedures as described herein.

## **SECTION 25. DEFAULT**

25.1 In the event of breach of any material provision of this Agreement by either Party, the non-breaching Party shall give the other Party written notice thereof, and:

25.1.1 If such material breach is for non-payment of amounts due hereunder, the breaching Party shall cure such breach within thirty (30) days of receiving such notice. The non-breaching Party shall be entitled to pursue all available legal and equitable remedies for such breach. Amounts disputed in good faith and withheld or set off shall not be deemed "amounts due hereunder" for the purpose of this provision. Neither Party shall withhold or set off undisputed amounts.

In addition, if such material breach is for non-payment of amounts due hereunder and such amounts have not been disputed, the non-breaching Party may:

(1) refuse additional applications for any service provided under this Agreement;

(2) refuse to complete any pending orders for additional services any time thereafter, and/or;

(3) on thirty (30) days' written notice by overnight delivery or certified U.S. mail, with a copy to the Commission, to the person designated to receive such notice, discontinue the provision of existing services at any time thereafter.

25.1.2 If the non-breaching Party does not refuse additional applications for additional services, and the non-payment continues, nothing contained herein shall preclude the non-breaching Party from refusing additional applications for services without further notice. If the non-breaching Party discontinues provision of the additional services, all applicable charges, including termination charges, shall become due. If the non-breaching Party does not discontinue the

provision of services on the date specified in the thirty (30) days notice, and the nonpayment continues, nothing contained herein shall preclude the non-breaching Party from discontinuing the provision of services without further notice.

25.1.3 Frontier reserves the right to refuse an application for additional services made by any CLEC entity that owns or is substantially owned, directly or indirectly, by or is under common control with, CLC , so long as CLC or any such entity is indebted to Frontier for services previously furnished, until the indebtedness is satisfied. In the event that services are provided to CLC or an CLEC entity that owns or is substantially owned, directly or indirectly, by or is under common control with, CLC , such services may be terminated by Frontier unless CLC satisfies the indebtedness owing to Frontier within thirty (30) days after written notification. Such notification shall be made by certified U. S. mail to the person designated by CLC to receive such notices.

25.1.4 If such material breach is for any failure to perform in accordance with this Agreement, other than for non-payment of amounts due hereunder, or if either Party is otherwise in violation of the law, the non-breaching Party shall give notice of the breach and the breaching Party shall cure such breach within sixty (60) days of such notice, and if breaching Party does not, the non-breaching Party may, at its sole option, terminate this Agreement. The non-breaching Party shall be entitled to pursue all available legal and equitable remedies for such breach.

## **SECTION 26. CONFIDENTIALITY AND PUBLICITY**

26.1 All proprietary or confidential information ("Proprietary Information") disclosed by either Party during the negotiations and the term of this Agreement will be protected by both Parties in accordance with the terms provided herein.

26.2 As used in this Agreement, the term "Proprietary Information" will mean written, recorded, machine readable or other information provided in tangible form to one Party by the other Party regarding the above referenced subject matter and which is marked proprietary or confidential with the appropriate owner corporation name, e.g., "Frontier Proprietary". Information disclosed orally will not be considered proprietary unless such information is reduced to writing by the disclosing Party and a copy is delivered to the other Party within thirty (30) business days after such oral disclosure. The writing will also state the place, date and person(s) to whom disclosure was made.

26.3 Each Party agrees that it will not disclose any Proprietary Information of the other Party in whole or in part, including derivations, to any third party for a period of three (3) years from the date of disclosure unless the Parties agree to modify this Agreement to provide for a different nondisclosure period for specific materials. Neither Party will be liable for inadvertent or accidental disclosure of Proprietary Information of the other Party provided that:

26.3.1 each Party uses at least the same degree of care in safeguarding such Proprietary Information as it uses for its own proprietary information of like importance, and such degree of care will be reasonably calculated to prevent such inadvertent disclosure;

26.3.2 it limits access to such Proprietary Information to its employees and agents who are directly involved in the consideration of the Proprietary Information and informs its employees and agents who have access to such Proprietary Information of its duty not to disclose; and

26.3.3 upon discovery of any such inadvertent disclosure of Proprietary Information, it will endeavor to prevent any further inadvertent disclosure.

26.4 Information will not be deemed proprietary and the receiving Party will have no obligation with respect to any such information which:

26.4.1 is or becomes publicly known through no wrongful act, fault or negligence of the receiving Party; or

26.4.2 was known by the receiving Party or by any other affiliate or subsidiary of the receiving Party prior to disclosure, or is at any time developed by the receiving Party independently of any such disclosure; or

26.4.3 was disclosed to the receiving Party by a third party who was free of obligations of confidentiality to the disclosing Party; or

26.4.4 is disclosed or used by the receiving Party, not less than three (3) years following its initial disclosure or such other nondisclosure period as may be agreed in writing by the Parties; or

26.4.5 is approved for release by written authorization of the disclosing Party; or

26.4.6 is disclosed pursuant to a requirement or request of a governmental agency or disclosure is required by operation of law; or

26.4.7 is furnished to a third party by the disclosing Party without a similar restriction on the third party's rights.

26.5 Since either Party may choose not to use or announce any services, products or marketing techniques relating to these discussions or information gained or exchanged during the discussions, both Parties acknowledge that one is not responsible or liable for any business decisions made by the other in reliance upon any disclosures made during any meeting between the Parties or in reliance on any results of the discussions. The furnishing of Proprietary Information to one Party by the other Party will not obligate either Party to enter into any further agreement or negotiation with the other.

26.6 Nothing contained in this Agreement will be construed as granting to one Party a license, either express or implied, under any patent, copyright, or trademark, now or hereafter owned, obtained, controlled, or which is or may be licensable by the other Party.

26.7 All publicity regarding this Agreement and its Attachments is subject to the Parties' prior written consent.

26.8 Unless otherwise agreed upon, neither Party will publish or use the other Party's name, language, pictures, or symbols from which the other Party's name may be reasonably inferred or implied in any advertising, promotion, or any other publicity matter relating directly or indirectly to this Agreement.

#### **SECTION 27. NO RIGHTS TO THIRD PARTIES**

This Agreement will not provide any third party, including, but not limited to any End User of CLC , with any remedy, claim, liability, reimbursement, cause of action, or other right in excess of those existing without reference to this Agreement.

#### **SECTION 28. HEADINGS**

The headings in this Agreement are for convenience and will not be construed to define or limit any of the terms herein or affect the meanings or interpretation of this Agreement.

#### **SECTION 29. EXECUTION IN DUPLICATE**

This Agreement may be executed in counterparts. Each counterpart shall be considered an original and such counterpart shall together constitute one and the same instrument.

#### **SECTION 30. NOTICES**

# **INTERCONNECTION**

## **ATTACHMENT 1 – INTERCONNECTION**

The Parties hereto, agree to interconnect their facilities and networks for the transport of Local Traffic as follows:

### **SECTION 1. Interconnection Trunking Arrangements**

1.1 The Parties will interconnect their networks directly or indirectly as specified in the terms and conditions contained herein. POIs set forth in this Attachment, may be modified from time to time by either Party only with the written consent of the other Party. CLC will agree to establish each POI at a technically feasible point on Frontier's network.

1.2 Direct Interconnection is required at one or more of the following locations:

a) POI at the Frontier local tandem office, where available, which will provide switched Interconnection to Frontier End Users served by subtending host and remote offices

b) Except as provided in 1.3 below, a POI will be at the Frontier Host Office, which will provide switched Interconnection to Frontier's End Users' served by that host office and subtending remote offices.

1.3 The Parties agree to exchange traffic indirectly subject to 1.3.1 below.

1.3.1 The Parties agree that a direct interconnection is mutually beneficial and desirable when the volume of traffic exchanged between the Parties equals or exceeds a DS1 level over three (3) consecutive months. If such level of indirect traffic is reached between CLC's network and a given Frontier end office, the Parties agree, to negotiate in good faith the mutual need for a direct interconnection between CLC's network and the affected Frontier end office, when either Party makes such request for direct interconnection. In order for CLC to establish a POI, a request will need to be submitted using the POI Request Form located at [www.frontier.com](http://www.frontier.com)

1.3 Each Party will be responsible for the engineering and construction of its own network facilities on its side of the POI, however, should Frontier be required to modify its network to accommodate the Interconnection request made by CLC, CLC agrees to pay Frontier reasonable charges for such modifications. If CLC uses a third party network to reach the POI, CLC will bear all third party CLC charges for facilities and traffic in both directions on its side of the POI.

1.4 CLC will be responsible for establishing separate trunk groups for:

1.4.1 IntraLATA Trunk Group – allows access to all codes which subtend the interconnected Frontier tandem.

1.4.2 InterLATA Trunk Group- enables Interexchange Carriers to originate and terminate traffic from/to CLC or for CLC and Frontier to exchange traffic that is not served by the Frontier tandem CLC is interconnected too.

1.4.2.1 For all FGD and un-queried 8YY traffic, originated by CLC, CLC agrees to provide Frontier with applicable meet point billing records.

1.4.4 CLC's services as an interexchange service provider are subject to Frontier's access tariffs.

1.4.5 Connecting CLC's switch to the applicable E911 routers. If CLC purchases such services from Frontier, they will be provided at full applicable tariff rates. For all 911/E911 traffic originating from CLC, it is the responsibility of CLC and the appropriate state or local public

safety answering agency to negotiate the manner in which 911/E911 traffic from CLC will be processed.

1.5 The Parties mutually agree that all Interconnection facilities will be sized according to mutual forecasts and sound engineering practice, as mutually agreed to by the Parties. The Parties further agree that all equipment and technical Interconnections will be in conformance with all generally accepted industry standards with regard to facilities, equipment, and services.

1.6 Interconnection will be provided via two-way trunks. The only compensation or other responsibility for payment for terminating traffic from the POI onward shall be Reciprocal Compensation, if applicable and/or Transit Service charges where a Frontier tandem is used to reach a third party's network and/or Switched Access charges where CLC is acting as an Interexchange CLC. The mutually agreed upon technical and operational interfaces, procedures, grade of service and performance standards for Interconnection between the Parties will conform with all generally accepted industry standards with regard to facilities, equipment, and services. All Interconnection facilities and trunking will be ordered using industry standard ASR as referenced in Frontier's Local Service Provider Guide.

1.7 CLC will not expect Frontier's local end office switches to act as a tandem on CLC's behalf nor will Frontier expect CLC's local end office switches to act as a tandem on Frontier's behalf.

1.8 This Agreement is applicable only to Frontier's serving areas. Frontier will not be responsible for Interconnections or contracts relating to any CLC's Interconnection with any other service provider or telecommunications CLC.

1.9 If CLC provides service using an NPA-NXX assigned to a rate center where Frontier provides extended area service or an applicable regulatory authority approved optional calling plan, and CLC chooses to indirectly interconnect by using the tandem switching facilities of a third party, Frontier will have no obligation to route and rate traffic to CLC's NPA-NXX as an EAS call or pursuant to an optional calling plan unless CLC has established a trunking and transiting arrangement for this traffic with Frontier and the other telecommunications CLC(s) utilizing the trunk and providing transiting service for the traffic.

1.10 If a CLC End User customer ports a number from CLC to another CLEC and Frontier routes a call to that ported number to CLC, CLC will route the call to the new CLEC to the tandem the new CLEC is listed as subtending in the LERG and may assess Frontier charges to recover costs incurred in performing applicable queries and in routing the non-queried call.

1.11 Signaling Systems and Administration

1.11.1 The Parties will, where Frontier has the capability, interconnect their networks using SS7 signaling associated with all Interconnection trunk groups as defined in Telcordia GR-246 "Bell Communications Research Specification of Signaling Systems 7 (SS7) and GR-905, "Common Channel Signaling Network Interface Specification (CLC SNIS) Supporting Interconnection, Message Transfer Part (MTP), and Integrated Services Digital Network (ISDN) User Part (ISUP)" including ISDN User Part ("ISUP") for trunk signaling and Transaction Capabilities Application Part ("TCAP") for CLC S-based features in the Interconnection of their networks. For glare resolution, Frontier will have priority on odd trunk group member circuit identification codes, and CLC will have priority on even trunk group member circuit identification codes, unless otherwise mutually agreed.

## **SECTION 2. Testing and Trouble Responsibilities**

The Parties agree to:

2.1 Cooperatively plan and implement coordinated repair procedures for the local Interconnection

trunks and facilities to ensure trouble reports are resolved in a timely and appropriate manner.

2.2 Provide trained personnel with adequate and compatible test equipment to work with each other's technicians.

2.3 Promptly notify each other when there is any change affecting the service requested, including the date service is to be started.

2.4 Coordinate and schedule testing activities of their own personnel, and others as applicable, to ensure its Interconnection trunks/trunk groups are installed per the Interconnection order, meet agreed upon acceptance test requirements, and are placed in service by the due date.

2.5 Perform sectionalization to determine if a trouble condition is located in its facility or its portion of the Interconnection trunks prior to referring any trouble to each other.

2.6 Provide each other with a trouble reporting number to a work center that is staffed 24 hours a day/7 days a week.

2.7 Based on the trunking architecture, provide for mutual tests for system assurance for the proper recording of AMA records in each company's switch. These tests are repeatable on demand by either Party upon reasonable notice.

2.8 A maintenance service charge applies whenever either Party requests the dispatch of the other Party's personnel for the purpose of performing maintenance activity on the Interconnection trunks, and any of the following conditions exist:

2.8.1 No trouble is found in the Interconnection trunks; or

2.8.2 The trouble condition results from equipment, facilities or systems not provided by the Party whose personnel were dispatched; or

2.8.3 Trouble clearance did not otherwise require a dispatch, and upon dispatch requested for repair verification, the Interconnection trunk does not exceed maintenance limits.

2.8.4 If a maintenance service charge has been applied and trouble is subsequently found in the facilities of the Party whose personnel were dispatched, the charge will be canceled.

2.8.5 Billing for maintenance service is based on Frontier's respective tariff.

### **SECTION 3. Interconnection Forecasting.**

3.1 Semi-annually CLC will provide Frontier a one (1) year forecast for expected trunk utilization. Orders for trunks that exceed forecasted quantities for forecasted locations will be accommodated as facilities and/or equipment are available.

3.2 The forecasts will include the number, type and capacity of trunks as well as a description of major network projects anticipated for the following six months. Major network projects include trunking or network rearrangements, shifts in anticipated traffic patterns, or other activities that are reflected by a significant increase or decrease in trunking demand for the following forecast period.

3.3 If a trunk group is under 75 percent of centum call seconds capacity on a monthly average basis for each month of any six month period, either Party may issue an order to resize the trunk group, which will be left with not less than 25 percent excess capacity. The grade of service for all final facilities between Frontier's central office and CLC 's will be engineered to achieve P.01 grade of service.

**SECTION 4. Reciprocal Compensation for the Transport and Termination of Interchanged Traffic.**

4.1 The Parties agree to exchange ISP Bound Traffic on a bill and keep basis between the Parties such that neither Party owes the other Party any compensation for the origination, transport or termination of such traffic. The preceding sentence applies only to the exchange of traffic between these Parties and a separate determination of what ISP Bound Traffic was exchanged between Frontier and any other party adopting this Agreement under 47 U.S.C. § 252(i) shall be required in order to determine the appropriate compensation of ISP-Bound Traffic between Frontier and any such other party.

4.1.1 Neither Party expects to terminate material amounts of Local Traffic to the other Party, and to the extent the Parties terminate Local Traffic they expect the volume of Local Traffic each Party terminates to be comparable, thereby justifying the use of combined trunks for Local Traffic and ISP Bound Traffic under Attachment 1, Section 1.4. As such it will not be possible to identify Local Traffic and the Parties will reciprocally compensate each other using bill and keep.

4.2 The Parties will exchange Enhanced Services traffic other than ISP-Bound Traffic on a bill and keep basis.

4.2.1 The fact that ISP Bound Traffic and de minimus amounts of Local Traffic are compensated for on a bill and keep basis shall not change the compensation set forth in this Agreement for any other traffic or services, including but not limited to facilities for Interconnection under Section 1 of this Attachment 1, Access Services traffic, wireless traffic, and Transit Service traffic.

4.3 VoIP Traffic. VoIP Traffic exchanged pursuant to this Agreement will be governed by the default provisions of *USF/ICC Transformation Order FCC 11-161 (rel. November 18, 2011)* as such order may be revised, reconsidered, modified or changed in the future. When such revisions, reconsiderations, modifications or changes are effective, such provisions shall be automatically incorporated into this Agreement. For clarity, and subject to any future revisions, reconsiderations, modifications or changes in the *USF/ICC Transformation Order*, interexchange VoIP traffic terminated to either Party is subject to access charges based on the appropriate access tariff, and local VoIP traffic terminated to either Party is subject to the reciprocal compensation provisions of this Agreement. The Parties agree access charges will comply with all FCC mirroring and default phase-down requirements

**SECTION 5. Transit Service**

5.1 CLC shall compensate Frontier for Transit Service as follows:

CLC shall pay Frontier a Transit Service charge as set forth in Attachment 7, Pricing for Transit Service originated by CLC to any third party CLC, or terminated to CLC from a third-party Incumbent Local Exchange CLC when interconnected to a Frontier tandem

5.1.1 Each Party acknowledges that Frontier does not have any responsibility to pay any charges for termination of any transit traffic originating from a non-Party's network.

# **ATTACHMENT 2**

# **ANCILLARY SERVICES**

## **ATTACHMENT 2 ANCILLARY SERVICES**

### **SECTION 1. DIRECTORY LISTINGS AND DISTRIBUTION SERVICES**

1.1 CLC agrees to provide to Frontier or its publisher, as specified by Frontier, all subscriber list information (including additions, changes and deletions) for CLC 's End Users and those of any resellers of CLC services, located within Frontier's operating areas. It is the responsibility of CLC to submit directory listings in the prescribed manner to Frontier prior to the directory listing publication cut-off date, which is posted at [www.Frontier.com](http://www.Frontier.com) under CLC Services then Directory Services.

1.2 Frontier will include CLC 's End User primary listings in the appropriate sections of its telephone directories (residence and business listings). Listings of CLC 's End Users will be inter-filed with listings of Frontier's End Users and the End Users of other LECs, in the local section of Frontier's directories.

1.3 CLC will identify any of these subscribers that are "non-published" End Users. CLC will provide Frontier with the directory information for all its End Users in the format specified in the Frontier Local Service Provider Guide. Subscriber list information will include the End User's name, address, telephone number, appropriate classified heading and all other pertinent data elements as requested by Frontier including ACNA/CIC or CLCC/OCN, as appropriate with each order, to enable Frontier the ability to identify listing ownership. CLC will provide all subscriber listings at no charge to Frontier or its publisher.

1.4 CLC 's End Users standard primary listing information in the telephone directories will be provided at no charge.

1.5 CLC is responsible for all listing questions and contacts with its End Users including but not limited to queries, complaints, account maintenance, privacy requirements and services. CLC will provide Frontier with appropriate internal contact information to fulfill these requirements.

1.6 Frontier will accord CLC directory listing information the same level of confidentiality, which Frontier accords its own directory listing information. CLC grants Frontier full authority to provide CLC subscriber listings, excluding non-published telephone numbers, to other directory publishers and will indemnify Frontier and its publisher from and against any liability resulting from the provisioning of such listings. In exchange for Frontier providing this subscriber list service, Frontier will charge, bill, collect and retain any monies derived from the sale of CLC listings to other directory publishers.

1.7 Frontier will distribute its telephone directories to CLC 's End Users in a manner similar to the way it provides those functions for its own End Users in Frontier's service territory. For CLC End Users whose listings are not maintained in a Frontier database, CLC shall provide the information needed for the distribution of listings in book form to such End Users.

1.7.1 CLC is responsible for sending to Frontier at the posted date an approximate directory count for its End Users for the purpose of ensuring an adequate quantity is printed.

1.7.2 CLC is responsible for providing information that includes distribution address and book quantities to Frontier. Frontier will place the same restrictions on CLC 's End Users as it does for itself when assigning book quantities.

1.8 CLC will adhere to all practices, standards, and ethical requirements of Frontier with regard to listings, and, by providing Frontier with listing information, warrants to Frontier that CLC has the right to place such listings on behalf of its End Users. CLC agrees that it will undertake commercially practicable and reasonable steps to attempt to ensure that any business or person, to be listed, is authorized and has the right to provide the product or service offered, and to use any personal or corporate name, trade name, or language used in the listing. CLC shall be solely responsible for knowing and adhering to state

laws or rulings regarding listing information and for supplying Frontier with applicable listing information. In addition, CLC agrees to release, defend, hold harmless and indemnify Frontier from and against any and all claims, losses, damages, suits, or other actions, or any liability whatsoever, suffered, made, instituted, or asserted by any person arising out of Frontier's listing of the information provided by CLC hereunder.

1.9 Frontier's liability to CLC in the event of a Frontier error in or omission of a listing will not exceed the amount of charges actually paid by CLC for such listing. In addition, CLC agrees to take, with respect to its own End Users, all reasonable steps to ensure that its' and Frontier's liability to CLC 's End Users in the event of a Frontier error in or omission of a listing will be subject to the same limitations that Frontier's liability to its own End Users are subject to.

## **LOCAL NUMBER PORTABILITY**

**ATTACHMENT 4 – Local Number Portability**

**SECTION 1. Local Number Portability (LNP)**

1.1 CLC agrees to follow the procedures in Frontier's Local Service Provider Guide for the porting of numbers.

1.2 Terms and Conditions

Frontier will only provide LNP services and facilities where technically feasible, subject to the availability of facilities, and only from properly equipped central offices.

An LNP telephone number may be assigned by CLC only to CLC 's End Users located within Frontier' rate center, which is associated with the NXX of the ported number.

Six months after LNP becomes available, Interim Service Provider Number Portability (ISPNP) will cease to be available and all existing ISPNP arrangements will terminate.

1.3 Obligations of Parties

Both Parties will participate in LNP testing in accordance with North American Numbering Council (NANC) standards.

Both Parties will follow recommended National Emergency Number Association (NENA) standards for LNP until such time the standards are superceded by federal, state, or local legislation.

CLC is required to send to Frontier a completed Bona Fide Request Form for LNP deployment in non LNP capable offices. See Exhibit A.

CLC is responsible to coordinate with the local E911 and Public Services Answering Point (PSAP) coordinators to insure a seamless transfer of End User emergency services.

CLC is required to meet all mutually agreed upon testing dates and implementation schedules. Both Parties will perform testing as specified in industry guidelines and cooperate in conducting any additional testing to ensure interoperability between networks and systems. Each party shall inform the other Party of any system updates that may affect the other Party's network and each Party shall, at the other Party's request perform tests to validate the operation of the network.

Each Party is responsible for the following:

Adhere to all Number Portability Administration Center (NPAC) and North American Numbering Council (NANC) requirements and in providing its own access to regional NPAC.

For providing its own access to the Service Order Administration (SOA).
