Good morning Ms. Vandiver,

I'm glad we are able to resolve your complaint. I double-checked in our system, and your account has been deactivated. Therefore you should not receive any additional bills from Public Power.

Dear Mr. Burns:

Thank you for your email. It was nice to speak with you yesterday. I spoke with my husband and we would like to agree to your offer, however, we want to verify there will be no further additional billing from Public Power. If this is the case, then we accept Public Power's offer and look forward to putting this matter behind us.

Sincerely,
Elizabeth Vandiver

Dear Ms. Vandiver,

As we discussed, in an effort to resolve your complaint, Public Power LLC is offering to reimburse you \$357.34, which equals the difference between what you paid for electricity supply as a Public Power LLC customer and the rate you would have been charged by PECO for the same duration of time. By accepting this reimbursement, you will be put in substantially the same position you would have been in had you been receiving your electricity supply from PECO.

If you find this a satisfactory resolution to your complaint against Public Power LLC, I will have a check issued to you. To accept this offer, please reply to this email with a statement that: (1) you acknowledge satisfaction of your complaint against Public Power LLC, and (2) that you no longer wish to pursue a complaint against Public Power LLC.

Sincerely,

Adam Burns, Counsel
