Re: Pa. P.U.C. v. Pennsylvania Power & Light Company
Docket No. R-00943271

Dear Mr. Conforti:

I have received a copy of your letter requesting notice of the closest public input hearing in the East Stroudsburg area in the above-captioned proceeding.

The number and location of public input hearings is usually set at the prehearing conference, which is the formal opening of the proceeding before the presiding officer, who is Administrative Law Judge Michael C. Schnierle. Every effort is made to hold public input hearings in or near population centers, where interest is expressed. Hearing location selection is based on level of interest, availability and seating capacity of rooms, cost, accessibility both to the general public and persons using wheelchairs for mobility, etc. Hearings may not be held in the specific location you request, but one or more should be available to you in your general area.

The prehearing conference in the Pennsylvania Power & Light Company (PP&L) rate case is scheduled for March 7, 1995, at 10:00 a.m. in an available PUC hearing room located in the North Office Building. Once a schedule has been set, a public input hearing notice will be made available. A copy of your letter will be provided to Judge Schnierle for consideration at the prehearing conference, and your letter has been placed in the Commission's official file in this case.
