PSU - Set 1

Question No. PSU 1-002:

For each delivery point listed in question 1 above, identify the amount of capacity and the owner or entity that is contracting for the capacity. Columbia should be identified by name. Other entities should be identified by non-identifying labels (A, B, C, etc). List the date that the capacity contract was initiated.

Response:

Please see PSU 1-002 Attachment A. The information provided in this response relates to Columbia's contracted capacity. Columbia does not have information with regards to the level of capacity others may also have contracted to these points of delivery ("POD"). Additionally, the values provided represent Daily Delivery Quantities at each POD and will not sum to Columbia's contracted capacity entitlements.

Contract initial dates will be supplemented.
