Supplement No. 28 to Tariff Electric – PA. P.U.C. No. 23

Dear Mr. McNulty:

In accordance with the Commission Order of August 25, 2005, at Docket No. R-00050662, enclosed for filing please find an original and eight (8) copies of **replacement Page No. 2 and replacement Page No. 91** of Supplement No. 28 to Duquesne Light Company's Tariff Electric, PA. P.U.C. No. 23 issued June 15, 2005, to become effective August 14, 2005, and later voluntarily postponed until August 26, 2005, by Supplement No. 31.

Subsequent to the filing of Supplement No. 28, Duquesne filed Supplement No. 30 which became effective on August 9, 2005, upon one day's notice. As a result, the pagination noted in the heading of Page No. 2 has been altered. This modification is strictly administrative and does not in any way impact the matters addressed in Supplement No. 28.

Please return a date-stamped copy of this letter in the enclosed self-addressed, stamped envelope.

If you have any questions regarding these replacement pages, please contact me at 412.393.6334 or nkrajovic@duqlight.com.

STANDARD CONTRACT RIDERS - (Continued)

RIDER NO. 7 - SECA CHARGE

(I)(C)

(Applicable to the Transmission Charges in All Rate Schedules)

The Seams Elimination Charge Adjustment ("SECA") Charge billed under this Rider is a pass-through of all charges incurred by the Company that are imposed by the PJM Interconnection, Inc. ("PJM") under its Open Access Transmission Tariff related to the elimination of Regional Through and Out Rates ("RTORs") for transmission service within PJM as it is presently constituted, including the Duquesne zone, and for transmission service between PJM and the Midwest Independent Transmission System Operator ("SECA Charges"). SECA Charges include all costs associated with the elimination of RTORs, including any related increases in transmission rates imposed by PJM on the Company.

The SECA Charge billed under this Rider shall be \$0.001557 per kWh, and it shall apply to all customers who purchase their electric transmission requirements from the Company.

The SECA Charge billed under this Rider shall be subject to reconciliation. Amounts billed to customers under the SECA Charge will be reconciled against actual SECA Charges paid by the Company and subject to Commission audit.

The SECA Charge billed under this Rider will remain in effect until the level of SECA Charges paid by the Company has been fully recovered, at which time the SECA Charge billed under this Rider will terminate, subject to any final reconciliation required due to final resolutions of litigation. If the SECA Charge billed under this Rider recovers more than the level of SECA Charges actually incurred by the Company, the Company will terminate the SECA Charge billed under this Rider and submit a plan of refund to the Commission for its approval.
