To The Secretary of the Public Utility Commission,

On June 8<sup>th</sup> a decision was made in my case, James T. Counsel III v. Philadelphia Gas Works. Currently I am required to pay \$12,432.99 total and \$7,603.01 of that amount is for theft. I do not agree with this decision and I am not able to pay this amount. My current salary is \$32,000 per year, which would not allow me to pay this amount. If the \$7,603.01 is removed from my bill I would be able to pay the remaining amount if arrangements were made. To do this, I would like to be able to set up a payment plan to accommodate my current income.

I also did not realize there was a statute of limitations for bringing the case regarding the \$7,603.01 to court.

Please take these factors into account when making a decision on my case.

Sincerely,

James Counsel III
