Could you please stop sending
all the useless public Utility Commission
paperwork to my house certified no
less not only is this a waste of
your time & mine but its a very
costly venture. The last 2 letters I
received cost you \$8.11 to send put
that money to better use like lower
the gas bills what a waste talk
about Gov. Waste. This commission
never ceases to amaze me not only
have you let this monopoly exist

but you approve every rate hike. And
lets not talk about the executives
that stole all the money from the gas
Co.

Please
stop the
useless mailing to

me.

Sincerely

Barbara (Carol) Russo
