Dear Sir:

On August 11, 2015, I'm schedule a hearing with the PUC. In order for me to prepare for this hearing I'll need past gas bills for the first and second floors. It's my preference for bills extending back for the past five years.

The property in dispute is 1301 E. Johnson St. Philadelphia Pa. 19138. The tenants are Maurice Perry, Betty Crockett, and Carl Roane.

I will send this letter to Public Utility Commission. Please submit these documents, as early as possible.

Yours truly
Carl J. Smith
