RE: A-8911403/A-2015-2464662

To Whom It May Concern,

This letter outlines the measures that RPM Trucking, LLC has taken to address the deficiencies found in the safety audit conducted by Chris Urey on June 17, 2015.

The single deficiency listed was Driver Question 1 – Driver Application. As the only drivers at RPM are my husband, who is co-owner and his son I did not think employment applications would be necessary. Apparently this is not the case. Both my husband and his son have since completed employment applications.

In anticipation of future hiring, I have created a 'new driver' file with all necessary paperwork for the driver to complete, as well as a checklist to be used by our office, to ensure that all necessary paperwork is turned in by the applicant.

I hope that RPM Trucking has sufficiently addressed the deficiencies found. If we need to take further steps, please let us know.

Thank you.

Safe Travels,

Julia Peters

Co-Owner, RPM Trucking, LLC
