RE: Continuance Request – In Re: Winston J. Banks v. PGW aka F-2015-2474021

Dear Judge Fordham,

I am the attorney for the Petitioner, Winston J. Banks, in the above referenced matter. Please consider this letter to be my entry of appearance. By this letter I am requesting the Commission continue the July 15, 2015 hearing, at 9:00am, to any Friday in July or August, for the following three reasons:

1. I am unable to attend because I am scheduled to appear in the Municipal Court of Philadelphia the same day July 14, 2015 at 9:00am. The Municipal Court case cannot be continued because it is marked Must Be Tried.
2. The Client is unable to attend on July 14, 2015 because he will be working outside of the City just West of Pittsburgh for Penndot. The Client is on a temporary tour of duty that will last throughout the summer and possibly into October and is out of the City conducting field tests for Penndot Monday through Thursday. The Client is home in Philadelphia on Fridays and therefore respectfully requests the Commission continue the case to a Friday so he may attend.
3. Counsel for Petitioner contacted counsel for PGW, Laureto Farinas, Esquire, by phone on June 16, 2015 and confirmed that PGW is not opposed to the continuance.

For these reasons we ask the request for continuance be granted by the Commission.
