Re: Bonding Requirements

Dear Charles J. Hurchalla:

PECO is aware that Evolution Energy Partners, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Evolution Energy Partners, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Evolution Energy Partners, LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Evolution Energy Partners, LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Evolution Energy Partners, LLC or the creditworthiness requirement for PECO's exposure to Evolution Energy Partners, LLC changes in the future, PECO reserves the right to require Evolution Energy Partners, LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,

Dear Charles Hurchalla:

We are pleased that Evolution Energy Partners LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Evolution Energy Partners LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Evolution Energy Partners LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Evolution Energy Partners LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Evolution Energy Partners LLC changes in the future, Columbia Gas might deem it appropriate to require Evolution Energy Partners LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Re: Security Requirement Bond – Evolution Energy Partners LLC

Dear Mr. Hurchalla:

Philadelphia Gas Works ("PGW") is aware that Evolution Energy Partners LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Evolution Energy Partners LLC must furnish acceptable security to each utility where Evolution Energy Partners LLC will do business. As such, under its tariff, Philadelphia Gas Works could require Evolution Energy Partners LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Evolution Energy Partners LLC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, Evolution Energy Partners LLC will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Evolution Energy Partners LLC does not need to post a bond or other form of security to operate in its service territory. If the services provided by Evolution Energy Partners LLC should change, Philadelphia Gas Works reserves the right to require security from Evolution Energy Partners LLC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at (215) 684-6278.

Sincerely,

Dear Charles Hurchalla:

We are pleased that Evolution Energy Partners LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Evolution Energy Partners LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Evolution Energy Partners LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Evolution Energy Partners LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Evolution Energy Partners LLC changes in the future, Columbia Gas might deem it appropriate to require Evolution Energy Partners LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.
