Re: Pennsylvania Public Utility Commission  
v.  
Philadelphia Gas Works  
Docket No. R-00061931

Dear Consumer Colleague:

As you may know, on December 22, 2006, Philadelphia Gas Works (PGW) filed for an overall increase in annual operating revenues of \$100 million. PGW proposes to increase its overall rates approximately 9.6% over present rates. If the Public Utility Commission approves the new rates, the bill for an average residential customer using 89 thousand cubic feet (Mcf) of natural gas per year would increase by \$13 per month, from \$144 to \$157 per month.

PGW also proposes to change its Gas Cost Rate (GCR) mechanism. Under PGW's proposal, certain revenues that have been used to lower the annual GCR for customers will now be used to fund necessary construction projects. If approved by the Commission, GCR rates would increase by approximately \$10 million per year.

PGW provides natural gas service to approximately 496,000 residential, commercial and industrial customers in the City of Philadelphia, Pennsylvania.

During the next several months, our Office will represent the interests of consumers and will participate fully in this case. We have retained expert witnesses to review PGW's filing, including all costs and expenses claimed by PGW. We will review the basis of PGW's claimed increase, including operation and maintenance expenses, capital expenditures, taxes and the allocation of costs among customer classes.

We have filed a Formal Complaint, and have asked the Commission to suspend the proposed rate increase, pending a thorough investigation of PGW's request. We asked the Commission to hold evidentiary hearings to examine the reasonableness of PGW's current rates and its proposed increase in rates.

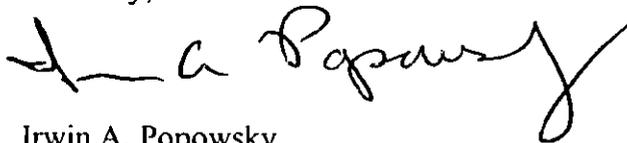

Consumer Colleague  
January 30, 2007  
Page 2

This office will also request that the Commission schedule public input hearings in Philadelphia, if you desire an opportunity to express your views on the proposed rate increase. Requests for a public input hearing will be granted if the Commission determines that there is substantial interest. If you want a hearing in your area, please contact my Office or the Commission's Office of Administrative Law Judge as soon as possible. If the PUC schedules such hearings, we will notify you of the date, time and location.

The Office of Consumer Advocate will be represented in this proceeding by Christy M. Appleby and Darryl A. Lawrence, Assistant Consumer Advocates and Tanya J. McCloskey, Senior Assistant Consumer Advocate.

If you need additional information, please do not hesitate to contact me or my Consumer Liaison, Susan Henry at (717) 783-5048 or toll-free at 800-684-6560. Also, if you are aware of any relevant information regarding PGW's proposed rate increase and cost or quality of service, please contact us.

Sincerely,

**PETITION TO INTERVENE  
OF  
PECO ENERGY COMPANY**

---

PECO Energy Company ("PECO") respectfully submits this petition to intervene seeking to participate in the above-captioned matter. In specific support of this petition, PECO states as follows:

**Background**

1. On December 22, 2006, Philadelphia Gas Works ("PGW") filed Supplement No. 16 to its Gas Service Tariff Pa.PUC No. 2. Proposed therein is a request for a general rate increase of approximately \$100 million and a variety of tariff rule changes. The proposed effective date for Supplement No. 16 is February 20, 2007.

2. This proceeding is at an early stage. An Administrative Law Judge has not been assigned, the first pre-hearing conference has not yet been scheduled and the parties have not yet exchanged pre-hearing memoranda.

## Request to Intervene

3. Under 52 Pa. Code § 5.72(a), a person is eligible for intervention if that person has “an interest which may be directly affected and which is not adequately represented by existing participants, and as to which the petitioner may be bound by the action of the Commission in the proceeding.”

4. PECO has a direct interest in the outcome of this proceeding. PECO is a customer of PGW at different locations within its service territory and will be affected by PGW’s proposed rate increase and tariff rule changes. Accordingly, PECO’s interests are sufficient to satisfy the requirements for intervention in this proceeding.

5. No other participant can adequately represent the interest of PECO in this proceeding as no other participant to this proceeding has PECO’s interest as a customer.

6. PECO has not determined its position on the various aspects of PGW’s general rate proposal, but intends to do so once it has had an opportunity to further study and evaluate the proposal and PGW’s testimony, conduct discovery and obtain additional information.

7. PECO will be represented in this proceeding by the following counsel:

Acting Associate General Counsel

However, service of all documents in this proceeding need only be provided once to PECO to the attention of Shari Gribbin, Esq.

Respectfully submitted,
