RE: Evolution Energy Partners LLC application to serve as a Natural Gas Broker

Dear Mr. Hurchalla,

Based on your assertion that Evolution Energy Partners LLC ("EVOLUTION ENERGY") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that EVOLUTION ENERGY will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that EVOLUTION ENERGY will not be taking title to gas or directly serving end use customers. This also assumes that EVOLUTION ENERGY will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU tariffs. If EVOLUTION ENERGY wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service. Please feel free to contact me with any additional questions that you may have.

Sincerely,

Dear Mr. Hurchalla:

We are pleased that Evolution Energy Partners LLC has applied for a license to provide natural gas broker/marketer services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC – Equitable Division (“the Companies”).

Since Evolution Energy Partners LLC is not currently operating, and has no immediate plan to operate a Pool on the Peoples systems, we have determined at this time that The Evolution Energy Partners LLC does not need a bond or other financial security requirement to provide these services to the Company’s customers.

If the creditworthiness requirement or the Company’s exposure to Evolution Energy Partners LLC provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at Lynda.W.Petrichevich@peoples-gas.com.

Sincerely,

Re: Security Requirement for Evolution Energy Partners LLC.

Dear Charles,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Evolution Energy Partners LLC. (EEP) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, EEP must furnish acceptable security to each utility where EEP will do business. As such, under its tariff, NFGDC could require EEP to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that EEP intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, EEP will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, EEP does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by EEP change in the future, NFGDC reserves the right to require security from EEP as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7599.

Yours truly,

Nathan E. Barnes
