Docket No. A-2015-2460982**

Dear Ms. Chiavetta:

On July 9, 2015 Pennsylvania American Water filed responses to data requests regarding the above referenced application. In those responses Pennsylvania American Water indicated data request A-5 would be answered when the information became available to the Company. Based upon information supplied to Pennsylvania American Water, it was necessary for the Company to file an Amended Application to reflect changes in the service territory as shown on Exhibit M.1 and Exhibit M.2. That Amended Application was filed on July 21, 2015, which reflected the service territory as approved by DEP in The Northern Neighbors Act Plan 537 and subsequently provides the response to data request A-5.

Sincerely,

  
Susan Simms Marsh
