RE: Correction of Financial Instrument
Choice Energy Services Retail
License A-2009-2142612

Dear Ms. Luna:

Please find under cover of this letter the financial instrument recently filed by your company with the Pennsylvania Public Utility Commission as part of a supplier's license requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

While the Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument, it also requires that the name of the principal on the financial instrument **match exactly** with the name of the company licensed by the Commission.

The Continuation Certificate you filed does not reflect the correct name of your company. Therefore, please file a corrected, original financial instrument with my office within 20 days of the date of this letter, preferably by overnight delivery.

If your company decides that it wishes to change its name to reflect your stationary and other advertising, then Choice may apply for a name change with the Commission. Please remember that the financial instrument and the name on your license must match exactly.

Sincerely,

A handwritten signature in blue ink that reads "Rosemary Chiavetta".

Secretary of the Commission
