To whom it may concern:

I received a certified letter today, to respond or will have to pay a penalty of \$500.

Contact your office @ (717) 787-8714, and was instructed to follow letter and send in a letter canceling PUC #, due to insurance.

We cannot afford insurance and truck has not moved since June! Did not no it had to cancel PUC number and reapply when and if it was to resume operations.
