**Re: Petition for Reconsideration**

**Case Docket No.- A-2015-2478404**

Secretary, Pennsylvania Public Utility Commission

We, We-Haul Moving, are petitioning the Commission to reconsider our application for dismissal for the following reason-

- a. We were informed by the Commission that our insurance requirements were not in compliance. A request was sent to our insurance agents to send both Form E and Form H to the attention of the Pennsylvania Public Utility Commission in May 2015. The forms were sent through the mail. We were sent a copy of what was mailed to your attention. We were under the impression that all forms were in your possession since we received confirmation from our agents that the forms were sent.

Please reconsider your determination for dismissal as it was our understanding the insurance requirements set forth by the Commission were in compliance. We will contact our insurance agents and have permanent proof of insurance, Form E and Form H, sent directly the attention of the Commission and will follow up to make sure the forms have been received.

Thank you in advance for attention to this matter.

**VERIFICATION**

We, James & Debra Ament, hereby state the facts above set forth are true and correct (or are true to the best of my knowledge, information and belief), and that I expect to be able to prove the same at a hearing held in this matter. We understand that the statements herein are made subject to the penalties of 18 Pa.C.S. 4904 (relating to unsworn falsification to authorities).

(Applicant is not now engaged in intrastate transportation of property or passengers for compensation in this Commonwealth except as authorized by the Pennsylvania Public Utility Commission certificate or permit, and will not engage in the transportation for which approval in herein sought, unless and until the transportation is authorized by your Honorable Commission.)
