Re: CNG Quaker LLC
ACT 127 Pennsylvania Pipeline Operator Annual Registration Form
DOT OPID: 39322

Dear Secretary Chiavetta:

This is to advise you through a voluntary, courtesy Pipeline Operator Registration form filing, that Compass Natural Gas Partners LLC ("Compass") plans to be operating a Compressed Natural Gas Facility ("Terminal") in Upper Fairfield Township, Lycoming County PA known as CNG Quaker LLC.

Compass will be tapping an existing interstate gas transmission main and extend a six inch transmission pipeline (approximately .5 miles) to our facility. Compass will own, maintain and operate the transmission pipeline. The transmission line will be manufactured of API 5L Grade B Steel. The natural gas delivered by this transmission pipeline will be compressed at our terminal and delivered by tractor trailer to a customer facility. The trailer will serve as the source of natural gas for the customer's facility to use. The projected start date of our terminal will be October 15, 2015.

Please note that this is CNG Quaker LCC's initial filing and a Pennsylvania Public Utility Commission ("PaPUC") docket number needs to be provided. Compass looks forward to working with the gas safety staff of the PaPUC throughout the construction process and continuing into the start of commercial operations. Attached is a completed ACT 127 Registration Form as well as check #2193 in the amount of \$250.00. Should you have any questions or comments, please feel free to contact the undersigned at you earliest convenience.

Sincerely,

Yves E. Pollart PE, BCEE
EVP of Engineering and Development
