Re: Bonding Requirements

Dear Dennis Giancola:

PECO is aware that H. P. Technologies, Inc. has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, H. P. Technologies, Inc. could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. H. P. Technologies, Inc. has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that H. P. Technologies, Inc. does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by H. P. Technologies, Inc. or the creditworthiness requirement for PECO's exposure to H. P. Technologies, Inc. changes in the future, PECO reserves the right to require H. P. Technologies, Inc. to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Dear Mr. Giancola:

We are pleased that Energy Deals LLC has applied for a license to provide natural gas broker/marketer services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC – Equitable Division ("the Companies").

Since Energy Deals LLC is not currently operating, and has no immediate plan to operate a Pool on the Peoples systems, we have determined at this time that Energy Deals LLC does not need a bond or other financial security requirement to provide these services to the Company's customers.

If the creditworthiness requirement or the Company's exposure to Energy Deals LLC provision of services on the Peoples' system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at

Dear Mr. Giancola:

We understand that Energy Deals LLC has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania including our company's service area.

Because Energy Deals LLC intends to only provide natural gas aggregating, brokering and consulting services at this time, we have determined that Energy Deals LLC will not be required to post a bond or other form of financial security instrument to provide these services in our service area. However, if the services provided change in the future, we reserve the right to require security from Energy Deals LLC as deemed appropriate.

Re: Security Requirement Bond - Energy Deals LLC

Dear Mr. Giancola:

Philadelphia Gas Works ("PGW") is aware that Energy Deals LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Energy Deals LLC must furnish acceptable security to each utility where *ENERGY DEALS LLC will do business*. As such, under its tariff, Philadelphia Gas Works could require Energy Deals LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Energy Deals LLC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, Energy Deals LLC, will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Energy Deals LLC does not need to post a bond or other form of security to operate in its service territory. If the services provided by Energy Deals LLC should change, Philadelphia Gas Works reserves the right to require security from Energy Deals LLC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at (215) 684-6278.

Re: Security Requirement for Energy Deals LLC.

Dear Dennis,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Energy Deals LLC. (EDL) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, EDL must furnish acceptable security to each utility where EDL will do business. As such, under its tariff, NFGDC could require EDL to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that EDL intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, EDL will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, EDL does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by EDL change in the future, NFGDC reserves the right to require security from EDL as it deems appropriate.

Dear Dennis Giancola:

We are pleased that Energy Deals has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Energy Deals could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Energy Deals has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Energy Deals does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Energy Deals changes in the future, Columbia Gas might deem it appropriate to require Energy Deals to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

RE: Energy Deals LLC application to serve as a Natural Gas Broker

Dear Mr. Giancola,

UGI Utilities Inc ("UGIU") has reviewed your application with the Pennsylvania Public Utility Commission. Based on your assertion that Energy Deals, LLC ("ENERGY DEALS") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that ENERGY DEALS will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that ENERGY DEALS will not be taking title to gas or directly serving end use customers. This also assumes that ENERGY DEALS will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU tariffs. If ENERGY DEALS wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

David E. Lahoff
Manager, Tariff & Supplier Administration
UGI Utilities, Inc.

Energy Deals LLC has a combination of employee(s) and independent sales representatives in its organization. There are no subsidiaries or affiliate companies that supply energy to customers in North America.

Indemnity

The undersigned applicant and/or indemnitor(s) ("Undersigned") hereby request State Automobile Mutual Insurance Company and any affiliated company, their successors or assigns (with all such company/companies referred to herein as the "Company") to become their surety. Undersigned hereby certifies all statements in the application are true and complete, authorizes Company to verify this information at the time of application and as needed on an ongoing basis and to obtain additional information from and/or verify information with any individual company within Company or any other source, including obtaining credit reports at the time of application, in any review or renewal, at the time of any potential or actual claim, or for any other purposes as determined by Company in its reasonable discretion, and jointly and severally agrees as follows:

1. To timely pay to Company the billed premium(s), including renewal premium(s), as long as liability shall continue under any bond, or any continuation or renewal thereof, or substitute therefor and until evidence satisfactory to Company of the termination of all liability shall be furnished to the attention of the Bond Underwriting Department at Company's office located at 518 E. Broad Street, Columbus, Ohio 43215.
2. That bond means (i) any surety bond, undertaking, or other express or implied obligation of guaranty or suretyship, signed or committed to by Company at the request of Undersigned (regardless of what business entity is named on the bond), on, before, or after the date of the application pursuant to which Company is or may be liable for loss, whether or not Undersigned is also liable, and (ii) all riders, endorsements, continuations, renewals, substitutions, modifications, extensions, replacements and reinstatements thereto; and changes in the penal sum thereto.
3. To indemnify and hold harmless Company from and against all loss, liability, costs, damages, attorney fees and expenses whatsoever, which Company may sustain or incur by reason of executing any bond(s) on behalf of Undersigned, (whether such execution occurs before or after Undersigned executes this application) in investigating any and all claim(s) asserted against any bond(s), in prosecuting or defending any action which may be brought in connection therewith, in obtaining a release therefrom, and in enforcing any of the agreements herein contained and immediately, upon demand by Company, Undersigned shall deposit funds (or other collateral deemed by Company to be satisfactory) with Company in an amount sufficient to satisfy any claim or potential claim against Company by reason of its having issued any bond(s), which amount shall be solely and exclusively determined by Company, including but not limited to incurred and/or potential losses, expenses and attorney fees.
4. That Company shall have the exclusive right to adjust, settle, or compromise any claim, demand, suit, or judgment upon any bond(s). A voucher(s) or other evidence of any payment made by Company shall be prima facie evidence of the fact and amount of liability of Undersigned in any claim or suit hereunder.
5. That Undersigned hereby waives all right to claim any property, including homestead, as exempt from levy, execution, sale or other legal process under the law of any state(s).
6. That Company may decline to execute any bond(s), increase or decrease any bond penalty, or amend the terms and conditions of any bond(s) issued for Undersigned and shall have the absolute right to cancel any bond(s) in accordance with any cancellation provision therein contained, or to procure its release from any bond(s) under any law for the release of sureties, and Undersigned agrees to make no claim to the contrary.
7. That Company may bring separate suits to recover hereunder as causes of action shall accrue, and the filing of such suit or the recovery of judgment upon any cause of action shall not prejudice or bar Company from filing other suits upon other causes of action, whether theretofore or thereafter arising.
8. That nothing herein contained shall be construed to waive or abridge any right or remedy which Company might have if this instrument were not executed.
9. That the above agreements shall bind Undersigned and its/their heirs, executors, administrators, successors and assigns, jointly and severally.

10. That Undersigned shall fully cooperate with Company in its investigation, evaluation, and resolution of all claims, including potential claims, that result from the issuance of any bond, including promptly notifying Company of any court papers or claim notices.

11. That Company shall have the right at any and all reasonable times to inspect and audit Undersigned's accounts and records at Undersigned's office and to secure any and all copies Company deems appropriate. Undersigned agrees to render all such reasonable facilities and assistance as Company may deem necessary to complete its investigation into any claim asserted against any bond(s).

12. At Company's discretion, this Indemnity shall be governed in all respects by the laws of the State of Ohio and Undersigned consents to the jurisdiction of the courts of the State of Ohio and the United States District Court for the Southern District of Ohio in all actions or proceedings arising from or relating to this Indemnity.

13. That in the event that any part of this Indemnity shall be deemed void under the law of the place governing the construction hereof, then such part only shall be considered as deleted and the remainder of this Indemnity shall remain in full force and effect.

14. That in the event that Company suffers any loss, cost or expense by reason of having issued a bond(s) for the benefit of Undersigned, which loss is the direct result of Undersigned's dishonesty or breach of fiduciary duty, Undersigned's obligations under this Indemnity are not subject to discharge in any bankruptcy or liquidation proceeding.

15. That the application, inclusive of this Indemnity, may be issued, executed and/or transmitted by facsimile or electronic means and when so issued, executed and/or transmitted, be valid as though an original.

Any person who, with intent to defraud or knowing that he is facilitating a fraud against a surety, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.

16. That Undersigned hereby assigns, transfers, pledges and conveys to Company (effective as of the date of signing this application) as collateral security, to secure the obligations hereunder and any other indebtedness and liabilities of Undersigned to Company, all of Undersigned's rights under the contracts referred to in such bonds, including Undersigned's right, title and interest in and to (1) all subcontracts let in connection therewith and such subcontractors' surety bonds, (2) all machinery, plant, equipment, tools and materials which shall be upon the site or sites of the work or elsewhere for the purpose of performing the contracts, including all materials ordered for the contracts, and (3) any and all sums due or which may thereafter become due under such contracts and all sums due or to become due on all other contracts, bonded or unbonded, in which any or all of Undersigned has an interest.

17. That if any bond(s) are executed in connection with a contract, which by its terms or by law prohibits Undersigned's assignment of contract proceeds, or any part thereof, Undersigned covenants and agrees to hold all money or other proceeds of the contract, whether received as payment or loan, in trust for the benefit of Company and to use such money or other proceeds for the purpose of performing the contract and discharging the bonded obligations and for no other purpose, until Company's obligations under the bond(s) are fully discharged.

18. That Undersigned hereby irrevocably, nominates, constitutes, appoints and designates Company or its designee as its/their Attorney in Fact with the right, but not the obligation, to exercise all of the rights assigned, transferred and set over to Company in this Indemnity, in the name of Undersigned or any of them to make, execute and deliver any and all additional or other assignments, documents or papers, including but not limited to the execution of instruments and the endorsement of checks or other instruments representing payment of contract money. Undersigned hereby ratifies and affirms all acts and actions taken and done by Company or its designee as such Attorney in Fact.

19. That Company may, in its sole discretion, file or record this Indemnity or any other document executed by Undersigned in connection with any application, issuance, or execution of any bond(s) as a security agreement or as part of a financing statement or as notice of its prior interest and assignment under the provisions of the Uniform Commercial Code or any other statute or regulation of any jurisdiction or agency. The filing or recording of such document shall be solely at the option of Company and its election not to do so shall not release or impair any of Undersigned's obligations under this Indemnity.

20. Previous Experience in the Natural Gas Industry

Energy Deals LLC's owner, Dennis J. Giancola, was employed by The East Ohio Gas Company during the period of 1977-1988, where his duties involved the sale of natural gas to industrial clients. His responsibilities included the sale of natural gas to firms engaged in the manufacturing of metals and metals products. The nearly 200 accounts had an annual usage of natural gas of 45,000,000 dth/yr. Dennis was an internal consultant to other corporate clients of the former Consolidated Natural Gas' subsidiaries, company is now know as Dominion. This activity included client contact and facility studies at businesses in western PA, northwestern West Virginia and clients of the West Ohio Gas Company, Lima, OH.

For the past 20 years, Mr. Giancola's participation in the deregulated sale of energy has largely been located in the Ohio area served by Dominion East Ohio and Columbia Gas. Mr. Giancola's average client count is about 2000 clients which includes residential, commercial (non-manufacturing) and industrial (manufacturing) accounts. His annual sales volume has averaged nearly 1,000,000 dth/yr. For 2015 and beyond, Energy Deals LLC is strategically poised to grow our customer count and volume through collaboration with trade organizations, city governments, charities, affinity programs and the addition of employees and independent sales agents.

From this point forward, our plans are to expand upon our 36 years of expertise in the energy business to expand our service offerings to new and existing residential, commercial and industrial accounts. The majority of our business will continue to be orchestrated through the diverse number of supplier/agent agreements that we nurture.

IV. COMMISSION CONCLUSION AND CERTIFICATE OF SERVICE AUTHORITY

The Commission has reviewed the application and attachments along with the supplementary information provided by Applicant regarding the technical, managerial, and financial requirements and all other requirements of the Act and Part 454 and finds that the Applicant sufficiently demonstrates compliance with the requirements.
