Dear Ann Marie Perrotto:

We are pleased that GREENCROWN Energy has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, GREENCROWN Energy could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. GREENCROWN Energy has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that GREENCROWN Energy does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to GREENCROWN Energy changes in the future, Columbia Gas might deem it appropriate to require GREENCROWN Energy to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Dear Mr. Errigo:

We are pleased that GREENCROWN Energy, LLC has applied for a license to provide natural gas broker/marketer services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC – Equitable Division (“the Companies”).

If the creditworthiness requirement or the Company’s exposure to GREENCROWN Energy, LLC provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

RE: GREENCROWN Group Inc. application to serve as a Natural Gas Broker

Dear Ms. Perrotto,

Based on your assertion that GREENCROWN Energy, LLC. ("GREENCROWN") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that GREENCROWN will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that GREENCROWN will not be taking title to gas or directly serving end use customers. This also assumes that GREENCROWN will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU tariffs. If GREENCROWN wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

Dear Ms. Perrotto:

Re: Security Requirement for GREENCROWN Energy, LLC.

Dear Paul,

National Fuel Gas Distribution Corporation ("NFGDC") is aware GREENCROWN Energy, LLC (GCE) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

- As you know, in making such an application, GCE must furnish acceptable security to each utility where GCE will do business. As such, under its tariff, NFGDC could require GCE to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that GCE intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, GCE will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, GCE does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by GCE change in the future, NFGDC reserves the right to require security from GCE as it deems appropriate.

Re: Bonding Requirements for GREENCROWN Energy, LLC

PECO is aware that GREENCROWN Energy, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, GREENCROWN Energy, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. GREENCROWN Energy, LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that GREENCROWN Energy, LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers.
