RE: Electricity Broker Application, Titan Energy – New England, Inc.

Dear Pennsylvania PUC,

Please find enclosed electricity broker application, along with a check made out to the PA PUC in the amount of \$350.00.

Please note that several pages within the package have been removed from the “official” document and marked as “Confidential”. For the purposes of this application, these documents have been placed in a second envelope, wherein all materials contained are marked clearly as confidential. It is expected that any information marked as confidential will remain as such, and not be made available to the public.

As requested by the PUC, we have also included a CD-ROM containing the application’s contents. Within the CD-ROM, we have also split out the information between the standard/public application and its confidential contents. As with the standard application, it is expected that any information marked as confidential will remain as such, and not be made available to the public.

If you have any questions on any aspect of the enclosed application, please do not hesitate to contact me either by phone at 860-436-2768 ext. 105, or via email at justinkearney@titanenergyne.com

Best regards,

Justin Kearney

- a. **EXPERIENCE, PLAN, STRUCTURE:** such information may include:

Description of Titan Energy New England and current operations:

- Titan Energy - New England, Inc. is a premier energy management and consulting company with over 15 years of experience working within the broker/aggregator field, and has served thousands of customers within the commercial, industrial, manufacturing, municipal and residential designations. Titan Energy also offers a variety of other energy-related services designed to assist our clients in managing their energy needs. Titan Energy New England, Inc works with commercial, industrial and municipal clients in developing energy purchasing strategies by leveraging competitive pricing and product offerings from a large and increasing supply base of electricity and natural gas suppliers. The company offers its electricity and natural gas brokerage services to customers in markets open for deregulation, but offers a variety of other energy-related services in markets throughout North America.

Intended Operations & Business Plans in Pennsylvania:

- Titan Energy's intended operations in Pennsylvania will mirror that of its operations in other states eligible for electricity and natural gas deregulation. Titan works with thousands of commercial, industrial and municipal clients in developing energy purchasing strategies by leveraging competitive pricing and product offerings from a large and increasing supply base of electricity and natural gas suppliers. In this way, Titan Energy's applicable customers contract directly with a retail supplier, where Titan is the agent of record under the specific contract period.

Staffing Structure and Employee Training:

- Titan Energy New England's main operations are run from its headquarters in Rocky Hill, Connecticut, where its pricing, analytical, and administration functions are performed. Titan's energy consultants typically work from home offices or satellite offices and report directly to Titan's headquarters. Any employee, independent contractor, or sales consultant who represents Titan undergoes a detailed training regimen focused on the consultative process. As such, all training is designed to assure our sales representatives are educational, informative in their communication with electricity and natural gas end users. All training falls strictly in accordance with Titan's marketing practices, as outlined below.

Penalties and procedures for ending contracts should be clearly communicated.

- o Not applicable for an applicant applying for a license exclusively as a broker/marketer.

10. VERIFICATIONS, ACKNOWLEDGEMENTS, AND AGREEMENTS

- a. **PJM LOAD SERVING ENTITY REQUIREMENT:** As a prospective EGS, the applicant understands that those EGSs which provide retail electric supply service (i.e. takes title to electricity) must provide either:
 - proof of registration as a PJM Load Serving Entity (LSE), or
 - proof of a contractual arrangement with a registered PJM LSE that facilitates the retail electricity services of the EGS.

The Applicant understands that compliance with this requirement must be filed within 120 days of the Applicant receiving a license. As well, the Applicant understands that compliance with this requirement may be filed with this instant application.

(Select only one of the following)

- AGREED** - Applicant has included compliance with this requirement in the instant application, labeled in correspondence with this section (10).
- AGREED** - Applicant will provide compliance with this requirement within 120 days of receiving its license
- ACKNOWLEDGED** - Applicant is not proposing to provide retail electric supply service at this time, and therefore is not presently obligated to provide such information

- b. **STANDARDS OF CONDUCT AND DISCLOSURE:** As a condition of receiving a license, Applicant agrees to conform to any Uniform Standards of Conduct and Disclosure as set forth by the Commission. Further, the Applicant agrees that it must comply with and ensure that its employees, agents, representatives, and independent contractors comply with the standards of conduct and disclosure set out in Commission regulations at 52 Pa. Code § 54.43, as well as any future amendments.

X AGREED

- c. **REPORTING REQUIREMENTS:** Applicant agrees to provide the following information to the Commission or the Department of Revenue, as appropriate:

- **Retail Electricity Choice Activity Reports:** The regulations at 52 Pa. Code §§ 54.201--54.204 require that all active EGSs report sales activity information. An EGS will file an annual report reporting for customer groups defined by annual usage. Reports must be filed using the appropriate report form that may be obtained from the PUC's Secretary's Bureau or the forms officer, or may be down-loaded from the PUC's internet web site.
- **Reports of Gross Receipts:** Applicant shall report its Pennsylvania intrastate gross receipts to the Commission on a quarterly and year to date basis no later than 30 days following the end of the quarter.
- The Treasurer or other appropriate officer of Applicant shall transmit to the Department of Revenue by March 15, an annual report, and under oath or affirmation, of the amount of gross receipts received by Applicant during the prior calendar year.
- **Net Metering Reports:** Applicant shall be responsible to report any Net Metering per the Standards on http://www.puc.pa.gov/consumer_info/electricity/alternative_energy.aspx. Scroll down to the Net Metering Standards Section.
- Applicant shall report to the Commission the percentages of total electricity supplied by each fuel source on an annual basis per 52 Pa. Code § 54.39(d).
- Applicant will be required to meet periodic reporting requirements as may be issued by the Commission to fulfill the Commission's duty under Chapter 28 pertaining to reliability and to inform the Governor and Legislature of the progress of the transition to a fully competitive electric market.

X AGREED

- d. **TRANSFER OF LICENSE:** The Applicant understands that if it plans to transfer its license to another entity, it is required to request authority from the Commission for permission prior to transferring the license. See 66 Pa. C.S. Section 2809(D). Transferee will be required to file the appropriate licensing application.

X AGREED

- e. **ASSESSMENT:** The Commission does not presently assess Electric Generation Suppliers for the purposes of recovery of regulatory expenses; see *PPL Energyplus, LLC v. Commonwealth, 800 A.2d 360 (Pa. Cmwlth. 2002)*.

11. AFFIDAVITS

- a. **APPLICATION AFFIDAVIT:** Complete and submit with your filing an officially notarized Application Affidavit stating that all the information submitted in this application is truthful and correct. An example copy of this Affidavit can be found at Appendix A.
- b. **OPERATIONS AFFIDAVIT:** Provide an officially notarized affidavit stating that you will adhere to the reliability protocols of the North American Electric Reliability Council, the appropriate regional reliability council(s), and the Commission, and that you agree to comply with the operational requirements of the control area(s) within which you provide retail service. An example copy of this Affidavit can be found at Appendix B.

12. NEWSPAPER PUBLICATIONS

Notice of filing of this Application must be published in newspapers of general circulation covering each county in which the applicant intends to provide service. Below is a list of newspapers which cover the publication requirements for Electric Generation Suppliers looking to do business in Pennsylvania.

The newspapers in which proof of publication is required is dependent on the service territories the applicant is proposing to serve. The chart below dictates which newspapers are necessary for each EDC. If the applicant is proposing to serve the entire Commonwealth, please file proof of publication in all seven newspapers.

Please file with the Commission the Certification of Publication, along with a photostatic copy of the notice to complete the notice requirements.

Proof of newspaper publications must be filed with the initial application. Applicants do not need a docket number in their publication. Docket numbers will be issued when all criteria on the item 14 checklist (see below) are satisfied.
